MESSAGE

Freemasonry has flourished in the Philippines for a great many years, and through many of these years, many old Masons had kept mostly to themselves and have hidden from the public, the fact that they are Masons: adherents to an ancient code and moral system that now spans the globe.

But in order to progress, we have to change. Even the Catholic Church has changed. Whereas before, there were no masses on Saturdays, today, churches hold masses on Saturdays to accommodate the young people whose new lifestyles are far different from ours. Whereas before, masses were said only in Latin, now they are celebrated in different dialects. Whereas before, a priest celebrated mass with his back turned to the people, now the new church rubrics dictate that he face the people as he invokes the Divine Providence.

Our Lodges must now play a more dynamic role in their communities, and must open their programs to the public, to communicate at first hand, what Freemasonry is and what it stands for. We must be proud to identify ourselves as Masons whenever we can and wherever we are.

Only if we adapt our activities to the modern times without changing our basic principles and tenets can we continue to progress.

CHESS TOURNAMENT

Some time ago there was much interest being shown in developing chess as a means of bringing together Masons within the Lodges and throughout the Jurisdiction. Lately, we have not noticed much activity in this area, except in the King Solomon Chess Club in the Plaridel Temple.

The original idea was quite simple and if properly implemented would project the image of Masonry in all corners of the land. Our hope was, that Lodges would form Chess clubs in their communities where Masons and non-Masons would be brought together under pleasing and dignified circumstances. Each year a Club champion could be determined by competitive play and during the Annual Communication or on December 19th which is the anniversary of the constitution of our Grand Lodge, a National Masonic Chess Tournament could be conducted in Manila.

Of course, before the National Tournament, Regional Tournaments could be held. Non-Mason would be approved an opportunity to be acquant with Masons and with Masonry and be convinced of the "goodness of the institution," for there is no greater game than Chess to bring together men of discipline and dedication; The game of kings and emperors and men of great intellect, has fast become, and is becoming more popular with the youth of today, who will be the Masons of tomorrow. Let us harness this wonderful opportunity to bring together our youth and our Masons for a stronger brotherhood of men.

MEN AROUND US ARE IN RUIN: MASONS WHAT CAN YOU DO?

By: Hon. Carlos Benares
Mayor, Bacolod City

It is for certain that we live in the soft and gentle age of ecumenism. This I have sensed during the campaign when I was invited to speak before Protestant groups. During the last four years, I have spoken to Seventh Day Adventists. The Mormons have used my swimming pool as John the Baptist would the River Jordan, and you have invited the Bishop, Monsignor Antonio Fortich to speak in your Lodge. Definitely the winds of change have blown through the windows of accommodation and no curtain of prejudice can keep the breeze of intellectual pursuit from wafting into the sanctums of human institutions. Truly this is a great day and age and we must be grateful to the capacity of man for generosity and kindness.

When I was invited by your Master who sits on the East to speak today on the significant occasion of your Lodge, I accepted the invitation readily remembering the times before when our divisons were pronounced and the times before when our conversations were punctuated by the howling of the dogs of intolerance. I remember that it was considered a grievous sin for a Roman Catholic to fraternize with Freemasons and those of us who hold stronger ties with them for reasons other than their being Masons did so under the threat of excommunication. But then again, that was yesterday. Today it is different, and we gather as I said in the atmosphere of universal human fraternity to express our unity as humans and our insistence to live together in peace in a shrinking world.

The philosopher Spencer during his tour of Russia was brought into the studio of a notable sculptor. He was shown the master's work in stone – the statues of Marx, Lenin, and other Russian greats. Finally, he was ushered by the sculptor into

an inner room which was barely lighted in which stood a covered bust. The sculptor told Spencer that he wrote his will to have this piece of work exhibited only upon his death. When the drape was removed there stood the bust of Jesus Christ – the Carpenter of Nazareth.

While it was true that the genesis of Masonry brings us back across the centuries to the land of the Pharaohs to a group of artisans who wrote their sermons in stone, we realize that the fraternity of craftsmen has developed into a speculative association. I do not imply that speculation here means the use of money in order to make more money, as many of you are living testimonies of that kind of speculation, but speculation as a mental exercise by the use of which men have released their imagination not only to count the stars, but to trace the courses of the stars and to probe into the limitless depths of divine providence or even to delve into the bottomless pit of human destiny.

One of the foremost objections held against Masonry is the secrecy of your rituals. But historical research reveals that the meeting place of people working with stone, bricks or mortar was used to ventilate gripes against fellow craftsmen; it was the conference room used to talk about the perfection of the craft, and a rest area for such ordinary animal needs like taking a siesta. When we gather this background information, then we can understand why your meetings must be kept secret. When people lack understanding their ignorance become fertile ground for prejudice and even for ridicule.

The Masons of the modern day do not work on stone, as suggested by your motto, the temples built by Freemasons, the enduring edifices, are not made by stone or marble, but are built in the hearts of men. This might be related to the teaching of St. Paul who admonished men that they are the living temples of God.

It is at this point that I hazard the speculation that all of us – Catholic, Mason, or what-not are engaged in the building of men. Whether you are in the government service or in the service of your legitimate personal interests, you and I cannot escape the social responsibility of building or destroying a human society. My feelings regarding this matter are fervent and intense. My whole being revolts violently to the indifference of people toward their fellowmen – to put it bluntly – the indifference and apathy of the fortunate to the miserable.

I am a realtor and land development has been my concern for decades. Within those years I have been instrumental in building shopping centers and as Mayor of Bacolod, I feel that I have helped in changing the landscape. But I cannot fathom the avarice and the greed that compelled men to value buildings more than people. Perhaps this is not only our defect because a poet once observed that

he cannot understand why men can find inspiration in the ruins of a church and not in the ruins of a man!

Gentlemen of Masonry, men around us are in ruin. They need to be rebuilt. Ruined men tear down and destroy human institutions laboriously built for centuries. We need to salvage these people using our rank, religion, and resources in order to re-establish them to live in human dignity and decency. This is our vision and our dream. We can begin in Bacolod. The alternative to this dream – or the imminent event if we fail to work for and realize this dream – is the uprising of the discontented, the disgusted, and the destroyed. Woe unto us if by our indifference and neglect we hasten the coming of that day. Then our eyes shall see the gruesome levelling of all the temples we have built – the works of art and craft in oils, bricks, marble, mortar, and stone shall bear the bloody footprints of a generation run berserk. Our horizon shall become the shimmering desert and wasteland, the natural habitat of creatures that have sadly lost the sense of beauty, decency, and nobility. On this atavistic scenery it is a possibility that men who built the pyramids of Egypt, and before that the tower of Babel, and later the Temple of Solomon and the Taj Mahal would again creep upon their bellies and their heads shall be trampled upon by the heels of a superior creation.

My friends, pardon me for presenting such a sordid prospect, but let me challenge you to build a reasonable society wherein temples of inquiry are filled with men coming together to reason and to know and to engage in the noble craft of building one another as an enduring and living temple of God.

A SIMPLE WORD FOR HUMAN ENDEAVOR

BY BENJAMIN O. GO

"Sincerity is the way of Heaven; the attainment of sincerity is the way of man." Confucius

Unless man is willing to employ that inexpensive but elementary and essential art of human relations, disharmony and enmity will continue to plague mankind as from time immemorial to the end of the world.

For want of something most essential in their endeavors, the best of friends quarreled and and parted ways; husband and wife became estranged and broke their home; brothers fought and killed one another and continue to do the same horrid act; and nations failed to settle their disputes and consequently resorted to war that brought death and destruction and caused untold miseries and sufferings to countless innocent people. The human undoings and misdeeds have already reached such an alarming proportion that mankind may yet be destroyed by its own folly.

Freemasonry, a fraternity for brotherhood of men and fatherhood of God, if correctly applied, is not only an answer but also a cure to human weakness. It teaches Brotherly Love, Relief and Truth in its three principal tenets; it counsels Temperance, Fortitude, Prudence, and Justice in its four cardinal virtues; and its working tools and lambskin apron are the guiding symbols to Masons in their conduct of life and in their dealings with their fellow human-beings.

Yet, in the quest for truth, we find Masons are no exceptions. More often than not we heard also some murmurings from some members of the Craft that there were quite a few things to be desired for better. Perhaps these dissatisfied brethren have some good points to score, particularly the theory and practice of Free-

masonry involving some members.

The philosophical truth of Freemasonry has passed the acid-test of time and experience. It has withstood trial and tribulation. It has survived not only the destructive storm of prejudice, harassment and persecution, but also has grown stronger and gained more adherents as the days and years rolled away.

Defects? None that we know of. If ever there is any, it lies in some members. One may be able to memorize the whole book of the Monitor and becomes very proficient in the floor work. But if he does not practice what he preaches, he becomes a sounding brass or tinkling cymbal. His vaunted proficiency becomes an empty form – a ritualistic performance but not a substantive compliance.

To practice Freemasonry, as in other human endeavors, is a matter of willingness in the heart of an individual member as he is obligated to perform it with "heart within and God overhead." And it can be easily done by a simple effort of the will we term SINCERITY.

Be one a Mason or not, without sincerity he can never have peace with his fellow-men, nor can he gain Divine Grace from his Creator. Without it, no nation can have peace with her neighbors. Sans it, no member of the Craft can distinguish himself to be a good man and true Mason.

Sincerity begets sincerity, mutual respect and understanding. It is the source of all good intentions, foundation of love and charity, bedrock of spiritual temple, and a ticket to that Great White Throne.

Sincerity fears nothing, clears all obstacles, removes all doubts and suspicions, and breaks the wall of misunderstanding.

MY CONCEPT OF HAPPINESS

—miriam 'maftukah' maranda—

Past Honored Queen, Bethel No. 4

Sad to say, but— it's not easy to be happy or feel happy! We might be happy when we're with friends . . . .with our love one's. . . .with somebody near and dear to our heart. We might be happy with a palatial house. . . having a new car . . . .fat job with fat salary. . . .enjoying success in life!

But why is it that with all these material fulfillment and success we achieved, still we feel "something" is lacking to complete our happiness. Why and what is it? Where can we find it and how can we attain it? If only we know how to be frank, honest, practical and sincere with ourselves, maybe at this time and moment can we say, we're completely happy!

Sometimes time, place and circumstance had to be utilize to the sacrifice of life itself – can we be awaken of the happiness we're seeking and searching. We neglect the fact that life is but a passing thing . . . .a transitional thing! Who can ever challenge and question everlasting love. . . righteousness . . . peacefulness of mind, body and soul? It's true to live is to enjoy— but we have to be aware of our human limitations. To go beyond it is no longer happiness but destruction. That's where we feel at a lost! We feel something's lacking to complete our happiness. We need not seek for if love and happiness finds you worthy will direct your course; your life, your longings, hopes and wishes. And the secrets my friend is within us! We need to be frank . . . .we need to be honest to ourself – to our 'inner' self because therein lies life's dearest gift!

HARAPIN NATIN ANG KATOTOHANAN

Ni Agustin L. Galang, NG (2)

Tayo baga ay nasisiyahan na ang mga Mason ay manatiling isang natatangi, bukod at maka-sariling kapatiran? Hindi kaya makabubuting tayo ay lumantad upang matanyag na isang lakas o puwersa na karapatdapat magpasimuno at manguna sa pagbabago para sa kabutihan, hindi lamang ng ating sarili, kungdi ng buong sangkatauhan?

Sa mga katagang iyan ay wala sa aming guniguni ang magmungkahi ng mahigpit na pagkampanya tungo sa pagpaparami ng ating mga kasapi. Tunay naming minimithi na tayo ay lumabas at dumako roon sa unahan ng hanay ng ulirang mga mamamayan, upang mabilang sa mga nagmamalasakit sa pagbabagong-tatag ng ating lipunan. Ang mga Mason, sa pamamagitan ng magagandang halimbawa, ay dapat manguna sa pagganap ng tahimik, mapayapa at maayos na rebolusyon o pagbabago sa lipunang pambansa.

Ang ganitong panukala ay hindi nangangahulugan na dapat maging Mason ang lahat ng mga tao. Dili kaya naman ay maging sapilitang makapangyarihang-lakas ang Masoneriya. Nguni't dahilan sa angking talino at impluwensiya ay mapapalaganap natin ang pagkakabuklud-buklod, ang pagkakaunawaan at pagkakaisa ng mga tao, anumang lipi, alinsunod sa dakilang hangarin na mapanumbalik ang kaayusan at katahimikan sa buong daigdig.

Ang katotohanan ay sagradong salita. Ito ang sumasagisag sa Makapangyarihang Diyos, at pundasyon ng bawa't katangian. Tanggapin natin ito ng walang pasubali at hindi dapat katakutan ng sinumang tao na nasa katuwiran. Ang isang Mason ay hindi pakakasangkapan sa masasama at lisyang mga panukala at mga gawain. Maaaring siya ay yurakan, siilin at pilipitin, nguni't sa takdang panahon siya ay tiyak

na mangingibabaw at magtatagumpay. Mapagwawari natin ngayon kung bakit ang pangunahing panulukang bato ng Masoneriya na itinuturo sa atin ay ang katotohanan. Kung ito ang maghahari sa balat ng lupa ay walang pagsala na magiging matino at mapayapa ang pamumuhay ng sangkatauhan.

Ang katotohanan ay isang Liwanag, kawangis ng sinag ng isang parola sa madilim na dalampasigan. Ito ang patnubay sa mga mandaragat upang makaiwas o mapalayo sa sakuna, at matiyak ang direksiyon ng daungan. Mabisang panglaban din ito sa anumang kabuktutan sa ating daigdig. Nandito rin ang tanging pag-asa ng mga dukha, busabos at mahihina. Ito ang lumalagot sa tanikala ng pagka-alipin, maging pisikal o espirituwal. Katotohanan din ang naglalarawan kung bakit ang Masoneriya ay matatag ang paninindigan, at walang likat ang pagpupunyaging mapalaganap ang katangiang ito.

Sa simula pa ay ipinahayag ng Masoneriya na ang katotohanan ay siyang batayan ng lahat na mga katangian. Kabutihan at katapatan ang unang mga aral na itinuturo ng Kapatiran. Sa aral na iyan ay inatasan tayo na gamitin ang pag-iisip at sikaping maisa-ayos ang ating pagsuugali. Atin ding natalos na samantalang nasa-impluwensiya tayo ng ganitong mga prinsipiyo, ang pagkukunwari at pandaraya ay nakakatkat sa ating buhay, natatangi tayo sa pagiging sinsero at matapat, na magkasaliw ang paggawa at salita ay samasama tayong pinag-iibayo ang ating mga kabutihan at nagbubunyi sa tagumpay ng ating mga kapatid.

Ang pagkamuhi at kasamaan ay karumaldumal na kaugaliang likha ng kadiliman. Yumayabong ang mga ito sa kamangmangan, maling paniniwala, kahinaan at kasinungalinan. Dapat nating matanto na ang pagkamuhi at kasamaan ay hindi mananaig sa siklab ng apoy ng katotohanan. Ito ang dahilan kung bakit ang mga alipin ng kasamaan ay may maiitim na budhi, at ang pakay ay makinabang sa kabuktutan. Sila ay hindi mag-aatubiling siilin ang katotohanan para sa sariling kapakinabangan.

Hindi maikakaila na ang impluwensiya ng pagkamuhi at kasamaan ay napakalakas, subali't hindi makapananaig ang mga ito sa wagas at makatarungang simulain ng Masoneriya. Maaaring maka-impluwensiya sa isahan marahil, nguni't sa pangkalahatan ay hindi makatatalab. Kung ang ideya at pamamaraan ng pamumuhay-Mason ang mamayani sa buong daigdig ay walang tao o pangkat ng mga tao na mag-uudyok ng gulo, karahasan o digmaan. Ang maghahari ay pagtitinginan, pagmamahalan at pagbibigayan. At ang tanging mahalagang bunga nito ay katahimikan at kaayusan sa lahat ng sulok ng daigdig. Ito ang tanging diwa ng misyon ng Masoneriya sa balat ng lupa.

Kung ating pakalimihin ang ganitong mga katotohanan ay ano kaya ang masasabi natin hinggil sa misyon ng Masoneriya sa ngayon? Nasa atin ang aktotohanan; batid natin na ang katotohanan ang magliligtas at magpapalaya sa katauhan, at hindi lingid sa atin na sa sandaling ang simulain ng Masoneriya ay mahasik at linangin ng mga tao, ang

YORK RITE OF FREEMASONRY

By

C. W. ROSENSTOCK, Deputy General Grand High Priest, Royal Arch Masons for the Philippines, Guam and Japan

According to Albert G. Mackay, the York Rite is the oldest of all the Rites of Freemasonry, and it consisted, originally of only three degrees: 1–Entered Apprentice; 2–Fellow Craft and 3–Master Mason. The York Rite applies to-day to the degrees of the Lodge, Chapter, Council and Commandery.

The three Lodge degrees are Entered Apprentice, Fellowcraft and Master Mason. The degrees of the Chapter are; Mark Master, Past Master, Most Excelient Master and Royal Arch. The degrees of the Council are: Royal Master, Select Master and Super-Excellent Master and the degrees of the Commandery, usually called "Orders" are: Illustrious Order of the Red Cross, Knight of Malta and Knight Templar.

The York Rite was first introduced in the Philippines when Luzon Chapter No. 1, R.A.M. was founded in 1905 and Far East Commandery No. 1, K.T. was organized in 1908, and Oriental

Council No. 1, R. S. M. founded in 1912. All of these Bodies were quite active up to the time when the Japanese occupied the Philippines during the late Japanese War, when for three years there were no Masonic activities in this Country.

When the Philippines were liberated by the American Armed Forces in February, 1945, Masonry again became operative. The Grand Master and the Deputy Grand Master of the Grand Lodge of the Philippine Islands had both been killed by the Japanese, and the Grand Senior Warden became Grand Master and with the assistance of the Grand Secretary and one or two Past Grand Masters, the Symbolic Lodges throughout the Islands were rehabilitated, one by one, and in a remarkable short period of time the majority of the subordinate Lodges were operating. The Scottish Rite Bodies, the membership of which is largely Filipino Masons, also became active again.

Very few of the American and European Masons remained in the Philippines after the Japanese War. Most of these Masons returned to the States and other places outside the Philippines, where they made their permanent residences. This made it very hard for the York Rite Bodies to rehabilitate their organizations, and for several years after the war there was little or no activities in the York Rite in the Philippines.

Luzon Chapter No. 1, R.A.M. and Far East Commandery No. 1, K.T. rehabilitated the Chapter and Commandery, but owing to the fact that no Filipino Brothers were members of the York Rite, the actual membership of these Bodies that was living in Manila, was limited and the meeting were not well attended. Such was the condition of the York Rite in the Philippines in 1949, when Most Excellent Companion Earl E. Dusenbery, General Grand High Priest of the General Grand Chapter of Royal Arch Masons granted a petition from 23 Companions to form a new Chapter of R.A.M. in Manila, Philippines, and a Dispensation, dated January 30, 1950 was signed giving authority to Manila Chapter, U.D., R.A.M. to open and hold a Chapter of Royal Arch Masons in the City of Manila, Philippines. This new Chapter of R.A.M. held its first convocation in the Jose Abad Santos Hall of Plaridel Masonic Temple, 520 San Marcelino, Manila, Philippines on February 15, 1950.

The petition to form Manila Chapter, U.D. was signed by 23 Companions of whom five were Past Grand Masters and all but three were Past Masters of their respective Lodges. Nineteen were Filipino Brethren. In four months, Manila Chapter, U.D. has conferred all of the Capitular Degrees in full form and its membership has more than doubled during that period.

Master Masons throughout the Philippines are now becoming keenly interested in the York Rite and it is quite likely that several other new Chapters will be formed during the year. Plans are also being made to form a Grand Chapter of Royal Arch Masons in the Philippines.

Steps are now being taken to rehabilitate Oriental Council No. 1, R. & S. M. and, now that our Filipino brethren are becoming Royal Arch Masons, it is hoped that some of these Companions will become members of the Council and of the Commandery.

The York Rite appeals to all Master Masons who desire further light in the teachings of our Institution, because the legends of the degrees have a continuity from the Entered Apprentice to the Knight Templar.

The candidate receives in the Entered Apprentice the first of the Symbolic Degrees the beginning of the instructions which are to guide him in the search of the secret of Masonry. In the Fellow Craft Degree he proceeds on his journey toward the attainment of Masonic knowledge.

The candidate can receive no greater or higher honor than that of the Sublime Degree of Master Mason, but in the degrees of the York Rite he receives further light and more knowledge of what the Masonic lesson is, and what the institution of Freemasonry seeks to teach.

The Mark Master is the first of the four Capitular Degrees of the Chapter and in it the candidate is still symbolically laboring on the unfinished temple. He is taught that the work he presents should bear his mark and should be such as to designate him as one worthy of admission to "that house not made with hands eternal in the heavens."

Originally, the Royal Arch Degree could not be conferred upon a brother who had not previously presided over a lodge as its Master. The Past Master is now conferred upon all candidates to qualify them for the Royal Arch Degree, and he is considered a *Virtual,* and *not an actual,* Past Master. The candidate is taught in this degree that he who would rule others must first learn to rule himself.

The degree of Most Excellent Master has to do with the completion and dedication of King Solomon's Temple. Here the Candidate sees for the first time the completed Temple on which he has symbolically labored in all previous degrees. Symbolically it represents the building of life and character and the rewards which come to him who faithfully performs this task.

Except the Master Mason Degree, no Masonic Degree is more important in its historical and symbolic significance than the Royal Arch Degree. Its lessons show vividly its connection with the Master Mason Degree, and in fact, it is, indeed, the final Chapter of that essential degree of Freemasonry. It brings to light that for which the Candidate has searched throughout the previous degrees. Its lessons are the essence of Masonic truth. Its ceremonies, for the most part, are founded upon the return of the Israelites from captivity to rebuild the destroyed temple, and the discoveries there made.

The first of the Royal and Select Master's degrees of the Council, Known as the Cryptic Degrees, is the Royal Master degree. The drama portrayed in this degree sheds additional light on both the

faster Mason and Royal Arch degrees. The Council degrees are essential to a clear understanding of the event of one of the sections of the Royal Arch.

In the Select Master's degree, which is the second of the Council, the place of meeting represents a "Secret Vault", or crypt, beneath the Temple. The historical object of this degree is to commemorate the deposits of an important secret or treasure which, is said to have been made by our three Grand Masters. The degree of Super Excellent Master, is one of the most interesting degrees of Masonry and is the last degree of the Council. It teaches, in a most dramatic fashion, the lesson of Masonic Fidelity.

The first degree in the Commandery of Knights Templar, known as the Chivaleric Degrees, is the Illustrious Order of the Red Cross. It continues the story of the Royal Arch and deals with a period in Jewish history at the time of the return of the Jews from captivity and the efforts to rebuild the Temple of their God in Jerusalem. The Illustrious Order of the Red Cross teaches the lesson of the triumph of TRUTH.

The second order in the Commandery is the Knight of Malta with its pass degree of Knight of St. Paul or the Mediterranean Pass. This order is the first *purely Christian* Order in the York Rite. The order is based historically upon of the old Orders of the Crusades.

The Valiant and Magnanimous Order of the Temple is the last degree or Order of the Commandery. *It is wholly Christian.* The Templar tradition is based on the Society of the name which played so important a part in the Crusades of the Middle Ages. The ceremonies of this degree are very impressive and develop the great moral lessons of Christian Knighthood.

The York Rite completes the Masonic story from the Entered Apprentice to the Order of the Temple. Each degree adds something to the understanding of the Mason of the thing which he is seeking.

In the process of elaboration of the circumstances surrounding the teaching of the lessons, the degrees of the Chapter, Council and Commandery all occupy positions of equal importance, and no Mason can feel that he has everything to which he is entitled as an earnest seeker after truth until he has received all of the York Rite degrees.

solo.

The Secretary brought to the attention of the District the case of a Past Master who is now an invalid. The Brethren took up a collection to aid the Brother.

The ladies of the Brethren served lunch.

A resolution was adopted, to suspend members for non-attendance of Lodge meetings due to indifference. The suspension will be made after due inquiry and recommendation by a committee to be appointed by the Worshipful Master.

The nominees for District Deputy are WBs Gerardo Rallama, Victor Mendoza and Constancio Ballinta.

The site of the next convention is Tayabas, Quezon.

MW Esteban Munarriz delivered the closing remarks. He extended the regrets of MW Teodoro V. Kalaw, Jr., Grand Master who was unable to attend the convention due to illness.

After the convention, the Brethren made a tour to the plant nursery and Children's mini-park. During the tour, Mayor Ramos requested the Grand Secretary to plant a rambuntan tree to be named "Esteban Munarriz Tree". Mayor Ramos also said that there is also a "Ramon Binamira Tree" named after Bro. Ramon Binamira, Chairman of the Green Revolution program of our First Lady, Mrs. Imelda Romualdez Marcos.

On our way home, VW Victor Mendoza invited us to his house in Gumaca for refreshment. It was his birthday.

(PITAK . . . *from page 17)*

pagkakanikaniya, ang pag-iiringan, ang walang kabuluhang pagtitiis at paghihikahos ay mapaparam. Kung tatangkilikin ng lahat ng tao ng walang pasubali ang katotohanan, ang pagkamuhi at kasamaan ay hindi makagigitaw. Ito ngayon ang tanong: Ano ang binabalak na aksiyon ng mga Mason? Maghalukipkip at at magmasid na lang kaya tayo ng di natitinag sa agos ng kasamaan at kasakiman?

Hindi kami nangungunang-bait sa pagmumungkahi, subali't napapanahon upang tayo ay magkaisang kumilos sa paghahasik ng mga simulain nitong ating Kapatiran. Tayo kaya ay tatanggi na manguna sa pagtatanim ng kabutihan sa puso at damdamin ng ating mga kapuwa? Marami na tayong nagawa, subali't higit na marami pa ang dapat isagawa upang mapayabong ang kabutihan na ating inihasik.

Ang katotohanan ay makadiwang salita na hindi dapat sarilinin ng sinuman. Ito ay pag-aari ng madla. Hindi na kailangan ang lakas o dahas; ang pinakamabisang instrumento ay ang katapatan at kalinisan. Ang mga Mason ay dapat maging halimbawa, at susunod ang marami nating mga kalahi. Ang katotohanan ay matibay na kalasag laban sa mga masasama, manliligalig at mandirigma. Bakit hindi natin gamitin ito ng buong sigla upang maunawaan ng madla na dito nababatay ang ganap na pagtitiwala? Ating harapin ang katotohanan, at nang tayo ay maging karapatdapat sa luwalhati ng Kalangitan.
