# A CALL TO UNITY

The 75th Annual Communication of the Grand Lodge of the Philippines held in Bacolod City on April 25-27, 1991 was unprecedented in many ways. For one thing, it was the first time in the history of this Grand Lodge that two brethren were actually nominated for the highest office in this Grand Jurisdiction and the controversy that this circumstance generated did, for a time, threaten to disrupt the peace and harmony that prevailed among the brethren.

No less than a senior Past Grand Master, upon learning of the events that transpired, said that what happened in Bacolod was a tragedy for Freemasonry. By this he meant that words, like bullets, can kill. Unfortunately, once a bullet has been fired and left the barrel of a gun, it can no longer be recalled. It is the same thing with words. We killed many in Bacolod. So mused a Past Grand Master.

But once the democratic processes have been scrupulously observed and satisfied, and which resulted in the unquestionably valid election of our 74th Grand Master, the question of who was elected is not as important as the matter of his being given will support.

Whether one likes the choice or not, it is the duty of all true and genuine Masons to unite behind the Grand Master and support him and Grand Lodge in charting the direction of Freemasonry in this part of the world. And if anyone finds himself unable to give that support, he should nevertheless go to Grand Lodge, to protect it, if he feels it necessary to do so, and not shy away from Grand Lodge.

We therefore, call on all Masons to put the events of Bacolod behind us and unite behind Grand Lodge and our Grand Master. (FVP)

# THE MISSION OF THE "CABLETOW"

The annual communication of the Grand Lodge in 1922 passed a resolution to create an editorial staff composed of three brethren who would continue with the publication of a magazine denominated "THE LEVEL" (El Nivel) which was owned and was being published at the time by Bro. Miguel Artigas-Cuerva. As Brother Artigas declined to surrender control of his magazine to Grand Lodge, the Grand Master then, MW Frederic H. Stevens, found it necessary to start a new publication that year (1923) which he called "THE CABLETOW" and thus this magazine came into existence.

Our predecessors have endeavored to make of this magazine not only one of interest but also of educational value to the Fraternity. Whether your magazine has succeeded in this mission is for the brethren to decide.

It is in this spirit that we welcome comments and suggestions from the brethren, if not articles of interest and educational value for publication. (FVP)

# MW JOSE REYES GUERRERO, JAGGED RARE GEM OF A MAN

*by: Efren*

People who have not rubbed elbows with the man who currently occupies the Grand Oriental Chair of the Most Worshipful Grand Lodge of the Philippines may be taken aback, or even turned off, by his brutally frank, straightforward and forceful ways. But given the opportunity to know him better, they will find that he is, as his initials suggest, a *jagged rare gem* of a man — *jagged* because his personality has been forged in the anvil of family circumstances and strict military training; *rare gem* because, among other things, beneath the veneer of apparent ruggedness is a winsome simplicity that arises from a benign, compassionate heart raring and ready to assist persons in distress or in dire need of relief, whether they be of the Masonic family or not.

Yes, for me, our Grand Master of 1991-1992 is a rare, multi-faceted jewel of a man; a natural warrior (as his surname shows) who has been commended for fearless service to country and countrymen; a dynamic military officer who wants to get things done expeditiously under iron discipline; a dedicated public servant who has demonstrated fidelity to the principle, "Public service is a public trust"; a veritable friend who commends you publicly and reproves you privately; a loving and devoted family man who has consistently practised the avowed principles of family togetherness and family involvement in Masonic activities/projects; an eloquent organization man who leads his peers by examples; and a Masonic dignitary who forgives those who have misconceptions of him and who firmly believes that Freemasons can set aside personal differences and rally behind the Grand Master, whoever he is, in solidary action towards accomplishing the thrusts of the Grand Lodge of the Philippines.

Having the knack of being *first* in many things at different phases of his life, he may be considered a *paradigm of accomplishments.*

### Maturing Effect of a Family Tragedy

MW Jose Reyes Guerrero was born on the 19th of May in 1941 to Don Gregorio Guerrero and nee Doña Mercedes Reyes, both of Laoag city. Don Gregorio was enormously happy and proud of his newly-born son, his *primogenitus,* because he saw him as an heir and a sure keeper of the family's clean name and public image. But that proud happiness was short-lived; for two days before the child's first birthday anniversary, while the whole

household was preparing for a celebration in the Guerrero farm, Don Gregorio, who was overseeing the excited preparations together with his wife, was abducted by a band of armed men. That was the last time Don Gregorio was seen alive. The would-be feast, in effect, turned out to be a sorrowful, nightmarish event.

Marry again! Doña Mercedes did not. Strong and resolute, she was able to live through the tragedy and became both father and mother to her only son, who she reared like a man. Thus, while his contemporaries were engaged in puerile games, including childish pranks and mischiefs, the young Joselito learned the ropes of supervising and managing their family properties. His early initiation into adult life, particularly in the practice of leadership and in the performance of responsibilities, was, paradoxically, a happy result of that fateful abduction of his father by some faceless, ruthless, conscienceless armed men.

Doña Mercedes offered monetary reward to the person/s who would be able to pinpoint the place where the abductors had taken her husband. She even asked the National Bureau of Investigation to get involved in the search, which was protracted for years.

When Bro. Joe was a freshman at the Ilocos Norte High School, the skeleton of his father was found at long last, inside a grave, with bullet holes in the skull. That horrifying scene must have left an indelible imprint on the young Joe's mind. At first, he thought of taking the law into his own hands, but his mother whispered the wise counsel of restraint to her only son. In any case, nemesis caught up with the perpetrators of the heinous crime. They were incarcerated for a life sentence. Early in life therefore, Most Worshipful Colonel Jose Reyes Guerrero learned to deal with death and with justice.

**"Look Up, Young Man!"**

Doña Mercedes sent her son to Manila for him to pursue his studies at the U.P. College of Agriculture in preparation for mechanized management of their properties. But while passing by the Feati University, his fancy was attracted by an inscription on the university building's stairs, which read, "Look up, young man! Look up!" Hence, instead of proceeding to the U.P., he enrolled as an engineering student at Feati.

An active student leader he came to be. He was twice President of the Ilocano Association/Varsitarian and thrice President of the engineering fraternity called "Mu Delta Omega". He also became squadron commander of the Air ROTC Model Squadron, which was awarded with trophies as the best marching unit in all parade competitions, thereby bringing honor and glory to the school. For such achievements, he was presented with the Leadership Award and with the Presidential Star Award by no less than the University President herself.

### His Mother's Intuitive Decision

After receiving the degree of Bachelor of Science in Management Engineering (B.S. Man.E) from the Feati University, he was also commissioned as Second Lieutenant of the Philippine Air Force (PAF). His priority, at this juncture, was to pursue the career of military pilot at the PAF. He passed all required examinations. But he was underage, being only 19 to 20 years old then, and had to secure the consent and signature of his mother, who expectedly, turned her thumbs down because she feared to lose him early if, he would become a military aviator.

His mother's contrary but intuitive decision turned out to be a blessing in disguise. After having been called to Active Service for a short stint as a ground officer and having passed the Career Service Professional Examination, and became First Grade civil service eligible, *he was taken in* at the Bureau of Customs as an Intelligence Officer with the rank of a Lieutenant, thereby leaving the military service.

### Steadily Commendable Rise at Customs

In April 1963, he was promoted Police Special Investigator of the defunct Law Enforcement Command, at the Bureau of Customs. That was the start of his colorful life as a public servant. To date, he has spent almost three decades of dedicated public service.

He has even risked his own life in the performance of duty. In recognition of this, his superiors, as well as other persons/agencies, gave him awards/commendations or rewarded him with promotions.

Toward the end of his third year of public service, for instance, he was commended by then Customs Commissioner Juan Ponce Enrile for the seizure of "hot cars" to include a Rolls Royce. In the same year, he was awarded by the U.S. Treasury Department with a Certificate of Recognition as Pistol Sharpshooter.

In April 1965, he was promoted to the position of Assistant Intelligence Officer with the rank of Captain.

In November 1966, he was Senior Intelligence Officer. In May 1967, he got the rank of Major and was designated Supervising Intelligence Officer. After less than a year, he was Assistant Inspector General. Later, he was promoted to the position of Inspector General.

In March 1968, the Commissioner of Customs then, Juan Ponce Enrile, awarded him, for the second time, a commendation for his expertise in apprehending smuggled goods to the tune of multi-million pesos and for his unquestioned dedication and loyalty to public service. As a result of this unprecedented accomplishment, he was sent on a scholarship grant to the UNITED STATES TREASURY OFFICERS LAW ENFORCEMENT SCHOOL IN WASHINGTON, D.C., USA.

In 1970, Customs Police Service Chief, Pedro C. Mendoza, Jr. also commended him for unfaltering dedi-

cation to duty, particularly, for coordinative ability in the all-out effort of the South Harbor Command to combat smuggling in all forms, which resulted, among other things, in the recovery of a Mercedes Benz CS, which was the subject of an attempt to defraud the government of its rightful revenues through the use of forged documents.

In 1971, he was awarded by the Commanding General of the AFP Supply Center with a Mapex/Mimex Operations Plaque of Commendation. In 1972, the International Police Academy, USA, awarded him with a Certificate of Recognition as Pistol Sharopshooter, he was commended by the PNRC Secretary General for a job well done on the arrival of M/S Anting, a Chinese ship that donated relief goods of all kinds.

In 1973, he was again commended, this time by the Director of the National Intelligence Coordination Agency (NICA) for successful intelligence operations during the arrival of S/S RUSS, a Russian tourist vessel, at the ports of Manila and Zamboanga.

In 1974, the Customs Commissioner commended him for valuable services towards the Bureau's personnel training and development during the Customs Narcotics Interdiction Course (CNIC). The US Customs Commissioner, likewise, extended sincere recognition of Major Guerrero's excellent cooperation with the US Customs Training Team in the conduct of the "Customs Narcotics Interdiction Course" series, under the United States Cabinet Committee on International Narcotics Control Program.

In September 1975, he was made National Police Coordinator. Then he was promoted to the rank of Lieutenant Colonel, holding different positions in the period 1975-1978, including the following: Region III Director and Police Coordinator; Special Assistant to the Vice Commander, PAF-AFP; Customs Police Chief II with the designation of Inspector General and concurrently Chief of the Customs Narcotics Suppression Unit; Physical Fitness Training Director; Official designate of the Customs Commissioner to the Food and Drug Inspection Board, FDA; and official designate of the Customs Commissioner to enforce Chapter XII of R.A. 3720 relative to Import-Export.

During the same period he got more commendations/awards. In 1975, he was commended by RASAC Western Mindanao relative to anti-smuggling activities in that area. He also got a commendation from the Zamboanga Port Collector for "your knowledgeable and expert management of the task given, your showing dynamic leadership in the Bureau of Customs under our New Society". Moreover, he was awarded with a Letter of Merit for exemplary service rendered to the members of the Zamboanga Barter Traders Kilusang Bayan, Inc. for introducing systematic business management operations, as well as easy detection and apprehension of malefactors at the Barter Trade Market.

In 1976, he received an award for exemplary public service in the field of narcotics suppression. The following year, he was awarded by Brig. General Venades with the Military Home Defense Badge. In 1978, Commissioner Ramon J. Farolan gave him a Plaque of Appreciation for his valued contribution and support to the Bureau's personnel training and development, particularly during the New Performance Appraisal System Seminar-Workshop.

In the same year, he received a Plaque of Appreciation for his invaluable services to the Dangerous Drugs Board during the Drug Abuse Prevention and Control Week (November 12-18).

In 1981, our Grand Master was promoted to the rank of Colonel. Subsequently, he was assigned as Chief of Operations, Intelligence and Communications (OIC).

In 1981, he received a Letter of Commendation from Commissioner Farolan once more, for numerous seizures and apprehensions effected in line with the Bureau's anti-smuggling campaign.

In 1982, for his invaluable assistance, he received a Plaque of Recognition and Appreciation from Hongkong's Commissioner of Customs and Excise. After the government of Hongkong, thru its Magistrate, won a twenty five million dollar ($25,000,000.00) smuggling case against a Taiwanese syndicate apprehended for smuggling of gold bars into Hongkong, wherein his expert's testimony as a star witness, consequently, resulted to the incarseration of all the crew members involved.

Then came his suspension from Office in February 1984 due to "simple neglect of duty". Although our distinguished brother had acted the way he did under the circumstances out of principle and with good intentions, he accepted the consequences of his decision with stiff upper lip. He views this as one of the hazards of his profession.

In a few months, he was reinstated, with back pay, to his post as South Harbor Commander. In May 1985, he was given back his concurrent position of Acting Deputy Director. In 1986, he was awarded with a Certificate of Recognition for very satisfactory performance in all phases relative to the Incident Management Special Seminar, sponsored by the U.S. Government's Counter Terrorist Training Group at the SITS, Fort Bonifacio, Rizal. Also in 1986, he was recognized for his national accomplishment in the Field of Customs Administration and law enforcement, thus rewarding him the prestigious and coveted, "Tawid Award" which is considered the Nobel Prize in the country per the late MW Ambassador Mauro O. Baradi, Chairman, Board of Trustees 1976-79.

In January 1987, he was Deputy Director. Two months later, he was also designated Deputy Collector for Davao. November 1987, he was recalled from Davao to assume as Deputy Director, ESS in a full time

capacity. On February 26, 1989, he was awarded the Kagitingan sa Barangay Award. On July 23, 1990, he was designated as Assistant Service Chief, ESS, the position which he holds to date.

Our illustrious Brother, I submit, has more than made up for that "simple neglect of duty". A real warrior, he does not only rise when he has fallen, but he works harder, demonstrating his persistent dedication to the work at hand.

### Advance Studies

Colonel Jose Reyes Guerrero pursued graduate studies. He completed the academic requirements for two masteral degrees — Management Engineering at the Feati and Business Administration at the Ateneo de Manila Graduate School of Business. He finished Master in National Security Administration (MNSA) at the National Defense College of the Philippines (NDCP) in Fort Bonifacio, Rizal, the highest military school in the Armed Forces of the Philippines. To date, he holds the record of being the youngest graduate of NDCP, for no less than the then President of the Philippines gave him a waiver of age.

### Specialized Training Programs, Seminar-Workshops, Conference

Colonel Jose Reyes Guerrero complemented his academic pursuits by attending a string of specialized training programs, seminars, workshops and conferences. In 1967, aside from going on active duty at the PAF, he took a Police Military Training Course at the Bureau of Customs in Manila. In the following year, he took the first Bureau-of-Customs-sponsored Supervisory Management Course. Moreover, he went on OB/OJT to Hongkong and Tokyo, where he observed preventive service, as well as enforcement procedures/narcotics investigation at airports and harbors.

In 1968-69, he attended the Customs Intelligence & Law Enforcement Officers School in Washington D.C., USA, where he obtained more know-how on customs/enforcement operations and intelligence investigation. Toward the end of 1969, he was in Keelung, Taipei, observing once again, customs enforcement procedures.

In 1972, he attended the second Bureau-of-Customs-sponsored Seminar on Tourism and Public Assistance. He also took the Narcotics Investigator's Course, sponsored by the Bureau of Narcotics and Dangerous Drugs, U.S. Department of Justice, and the National Police Commission Academy at Fort Bonifacio. Then, he went to the International Police Academy in Washington D.C., USA, where he took the Supervisory Management Support Course in Narcotics and Dangerous Drugs. He also went to Guam for observation of customs/immigration procedures.

In 1974, he took two courses, namely, Customs Interdiction Course and Narcotics and Dangerous Drugs Compliance Investigation Course No. 2. The sessions were held at Fort Boni-

facio, once more. In the same year, he was in Thailand and Vietnam, observing customs enforcement and national police procedures.

In 1976, in addition to going again on active duty at the PAF, Colonel Jose Reyes Guerrero took such courses as, Reading Dynamics, Time Management, Dynamics of Problem Solving and Decision Making at the Ateneo de Manila Graduate School, as well he served as delegate to the Third National Operational Heads of National Narcotics Law Enforcement Agencies, Far East Region.

In 1977, he attended a seminar-workshop on Project Design, Management Standard of Performance and Monitoring of Social Development Programs, conducted by the Research, Statistics and Training Division, Dangerous Drugs Board, Republic of the Philippines. Then he went to Fort Royal in Virginia, U.S.A., where he participated in the Narcotics Detector Dog Program for Supervisors, sponsored by the US Customs Service. Then he flew to Newton, Nottingham, England, where he observed how the famed Royal Air Force carried out dog training flights. He also attended a US Customs-sponsored international conference on Narcotics Detector Dog for supervisors in Singapore.

In 1978, he attended the DAP Seminar for Trainors at the Philippine Village Hotel, as well as the Symposium on the Implications of Technology Transfer to Government Administration, conducted by the Philippine Association of Technical Assistance Participants (PATAP).

In 1980, he attended a seminar on Security of Installations, which was part of the NISA-Metrocom program. In the following year, he was delegate to the Regional Airport Customs Conference held in Manila. In December of that year, he received a Certificate of Proficiency from the All Japan BUDO Federation, SEIBUKAN Academy No. 1602 as 3rd DAN in Karate. In 1982, he was on OB/OJT with the Hongkong Customs and Excise. In 1986, he attended a United States sponsored Counter Terrorist "Incident Management Special Program". This was the year he was invited as guest of honor and guest speaker at the Installation of the MW Grand Master, Grand Lodge of China, in Taipei, Taiwan.

Colonel Jose Reyes Guerrero has attended other seminar-workshops, conferences and training programs, but the foregoing are sufficient to show how busy he has kept himself all these years, in order to complement his formal schooling.

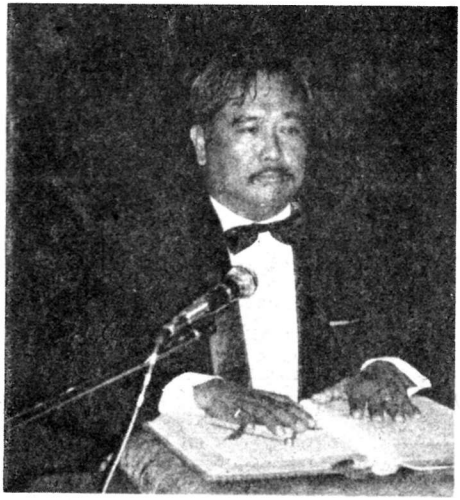
### Organizations

Our Grand Master for Masonic Year 1991-1992 has involved himself in many organizations. Currently, he has been a member of the following: International Association of Chiefs of Police (IACP), Washington D.C., USA; International Narcotics Officers Enforcement Association (INOEA), Albany, New York, USA; National De-

fense College Alumni Association (NDCAA); and Philippine Association of Technical Assistance Participants (PATAP).

One of his greatest achievements has been the moving of the forces he could muster to give birth to his brain child, *viz.*, the Association of Reserve Officers of the Philippine Air Force (AROPAF), which was duly registered with the Security and Exchange Commission in 1985. Thence, he served as the interim president of AROPAF, which now serves as a voice of the Reserve Officers in the shaping of national policies and in solving national problems. Colonel Jose Reyes Guerrero was unanimously elected Charter President (1988-89) of the AROPAF. After his term as its first President, he was elevated to the Council of Elders of which he is Chairman up to now.

Since 1990, he has been Wing Commander, Air Reserve Composite Wing (Sep) of the Philippine Air Force (PAF).



"My life became complete only after I was raised to the sublime degree of the brotherhood"
— JRG

**Dedicated Freemason**

Our Grand Master has been a Freemason for approximately 12 years, but he has packed those years with dedicated service to the Fraternity and has involved his family in its activities.

He was initiated on January 26, 1977 and passed on June 22 of the same year in Bagumbayan Lodge No. 4, F. & A.M. On March 28, 1979, he was raised to the Sublime Degree of Master Mason.

"My life became complete only after I was raised to the Sublime Degree of the Brotherhood of Man under the Fatherhood of God," Bro. Joe once disclosed to his brethren.

Having sincerely felt thus, he involved hismelf so actively in his Mother Lodge's projects/activities that his brethren elected him as Junior Warden in 1980 and then catapulted him to the Oriental Chair in 1981.

As Worshipful Master, he proved his dynamic leadership. Among his accomplishments was "filling to the brim" his Lodge's coffers once again. This was the year that the Grand Lodge of the Philippines (GLP) adjudged Bagumbayan Lodge No. 4 as "Most Outstanding Blue Lodge" and its Worshipful Master, MW Joe, as "Most Outstanding Master Mason" in the whole jurisdiction.

As Immediate Past Master in 1982, he was appointed Grand Lodge Inspector (GLI) to Walana Lodge No. 13. Once more, he demonstrated active involvement in his Masonic District's affairs.

MW Joe became a dual member of Jose Rizal Lodge No. 22 and an honorary member of Cordillera Lodge No. 178 (in Nueva Vizcaya).

He became a 32 degree member of the Philippine Bodies, A. & A.S.R. and is a Companion in C.W. Rosenstock Chapter No. 6, RAM. Besides, in the ceremonials held in October 1980, he became a member of Bamboo Shrine Oasis, under the AFIFI Temple in Tacoma, Washington D.C., USA. Since then, he has persistently pursued the Shrine's noble cause of showing concern for crippled and burned children.

Actively involved and consistently reliable, he has been Ambassador for Aloha Temple since 1985.

In 1985 and 1986, he served as Grand Marshal of the GLP. In 1987, he was Junior Grand Steward until he was elected Junior Grand Warden (JGW) in April 1988, during the Annual Communication in Cebu City, despite the existence of an Edict which stipulated that a Master Mason must have been in good standing for at least ten years prior to his being elected as JGW.

In-between regular Masonic activities and official visitations, MW Jose Reyes Guerrero was active in other Masonic organizations. He was Very Excellent Grand Marshal of the Past Masters Guild for three consecutive years. He has been an active member, officer and director of the Temple Builders Club. In 1989, he was High Shereef of Saigon Shrine Oasis.

In 1989-90, he was Senior Grand Warden and in 1990-91 he was Deputy Grand Master (DGM). As DGM, he, together with his family, celebrated his birthday as he has been traditionally celebrating the same, with the crippled children at the Masonic ward in Mary Johnston Hospital in previous birthdays. He considers these events a very meaningful milestone in his life.

Bro. Joe avers that the Freemasonic Fraternity has honed and mellowed him. "If I was a good man prior to being a Mason", he said, "I have become a much better man when I entered the Fraternity".

**Able Toastmaster Bronze**

In 1984, he got exposed to the Toastmasters movement. Gifted with stentorian voice, he has continuously sharpened his communication skills toward becoming, say, another Graciano Jaena Lopez, the so-called Filipino Demosthenes.

In 1985, he was Protocol Officer/ Sergeant-at-Arms of Square and Compass Toastmasters Club No. 4749, District 75, an affiliate of Toastmasters International in Mission Viejo, California, USA. As such, he showed himself an exemplar of perfect attendance and unquestioned leadership in

weekly meetings, so that in 1986, he was elected unanimously, as the President of the Club. It was during his presidency that his club got a national award as the President's Most Distinguished Club.

In 1986, he was the Club's first male Able Toastmaster. As such, he received awards from Toastmasters International. One of these awards was a gold medal received in 1987, in recognition of his being the leader of the best speaking team in the Area at the Ramble Impromptu Speech Contest. In the same year, he was awarded by Toastmasters International with the rank of Able Toastmaster Bronze (ATM-B).

He is the first Area III-B Governor, Division A, District 75 of Toastmasters International. During his tenure as Governor, he was sponsor and charter president of two clubs: National Museum Toastmasters Club and Aduana Toastmasters Club.

## His Wife and Daughter

During his first year of service in the government, he met his "true love" for the second time. (The first time was during his probationary 2nd Lieutenant/Cadre Training at the PAF in 1961).

Several months later in December, he married the only child of Ret. Brig. General Antonio V. Posadas (now deceased), former AFP Dental Services Chief, and nee Corazon Topacio Nueno, a beauty queen of Cavite. She is Sis. Aida "Baby" Guerrero, a CPA-Lawyer, holder of three masteral degrees, and the Philippines Most Outstanding Toastmaster for 1986-1987, 1988-1989. She is a Past Division Governor, an Able Toastmaster-Bronze like her husband and the first Lady President and First and only Distinguished Toastmaster (DTM) of Square and Compass Toastmasters Club, which was given an International

Award during her presidency in 1987 as the Second Most Outstanding Toastmasters Club in the world out of more than 7,000 clubs. Sis "Baby" accompanied by her only child, received the award from the International President of Toastmasters International in Washington D.C. in behalf of her club in November of 1988. Our Grand Master and Sis First Lady recently celebrated their 25th or Silver Wedding Anniversary, by renewing their marital vows and receiving their guests abroad.

The only child of MW/Colonel Joe and Sis "Baby" Guerrero is Ms. Aida Corazon Mercedes Augustine Babette Josephee "BJ" Posadas Guerrero, who is about to finish her course in the College of Arts and Letters at the University of the Philippines. She is also a non-professional painter-artist-designer during her free times. Like her parents, she is a leader and luminary in her own right. A well-travelled young lady, she is the Immediate Past President of Square and Compass Toastmasters Club, the chairperson of Youth Leadership for Toastmasters, the Assistant Auditor of Division A, and a member of the Editorial Staff of DIVISIONS A & B Bulletin of District 75, Philippines of Toastmasters International.

**His "Hidden" Talent**

Only a few know that MW/Colonel Jose Reyes Guerrero is a gourmet. When free from weekend commitments, he stays home to do his "special cookings" — for family, for our brothers, for personnel, for the boys and for close friends. I personally had a couple of opportunities of savoring the palatable, wonderful recipes of my townmate (*kababayan* and *Kailian*), for I, too, am a Laoageño.

**His Challenge to His Brethren**

Our Most Worshipful (MW) Grand Master wants to forget the heartache that was attendant to the Ancom in Bacolod City and to call on all Freemasons in this grand jurisdiction, to demonstrate to all and sundry the avowed unity and harmony among Masons. To all of us, his challenge echoes: "Together brethren, let us Keep the Masonic FLAME Burning!"

***It is not where you serve but how you serve!***

## INAUGURAL ADDRESS

### *WHOEVER WILL BE CHIEF AMONGST YOU, LET HIM BE YOUR SERVANT*

Dignitaries in the East, Dignitaries on the Floor, Brethren of the Grand Lodge, . . . Ladies and Gentlemen:

A sense of duty and propriety at the moment compels me to thank our Installing Officer, MW Rosendo C. Herrera who readily consented last night upon my request to be our Installing Officer this afternoon. This gesture proves that he is really a brother and deserves our applause. (Applause). I also want to express my thanks to MW Reynato S. Puno, our Grand Treasurer, for being a very proficient Master of Ceremonies this afternoon. As early as the first week of March, he had given me his word that he would be the Master of Ceremonies during my installation. Let us also give MW Puno a warm round of applause. (Applause). As a team, MW Herrera and MW Puno displayed a high degree of proficiency resulting in a very impressive Ceremony of Installation. I believe that the two MW Sirs deserve another round of applause. (Applause).

At this time, I wish to express my sincere gratitude and wholehearted congratulations to the Host District of this 75th Annual Grand Communication, District No. 27, particularly its District Deputy Grand Master, VW Carlitos Magno and all the Masters, Wardens, Brethren of the Blue Lodges that comprise District 27, and of course, their Ladies, for having hosted this Annual Communication with utmost efficiency and distinction, despite the almost overwhelming odds, requiring great financial and personal sacrifice for them and their families. Surely, their unselfish efforts deserve the recognition, admiration, appreciation and applause of the Grand Lodge and all those here present. May I request all the brethren from the District, headed by the VW Sir, to please rise to be recognized, including the sisters? Thank you. Lastly, I would like to thank the non-voting delegates to this 75th Annual Grand Communication and their ladies. Their presence added to the complete success of this occasion. Let us give them a big hand.

"WHOEVER WILL BE CHIEF AMONGST YOU, LET HIM BE YOUR SERVANT". This Biblical saying aptly describes my frame of mind in accepting this most exalted position of Grand Master of Masons in the Jurisdiction of the Republic of the Philippines. The same feeling holds true, whenever I assume a promotion in the military or a new position in our Government, no matter how prestigious the position may be; for I believe that a public office is a public trust, and that I am and will always be a public servant to our taxpayers and citizens, just as I have been for the past almost 29 years of dedicated and untainted service.

In line with this philosophy, I wish to assure you, my beloved Brethren, that I am more concerned with the duties and responsibilities of the Office, rather than the glamor, prestige and distinction that this office lavishes upon its occupant, knowing fully well that the Office of the Grand Master carries with it awesome powers and honor.

I may be the highest-ranking or number-one Mason in the jurisdiction of our Grand Lodge but I do not intend to lord over all of you. I will never take advantage of these powers and authority over my Brethren but will serve as a big brother and servant, to lead and set the example in the great task of exemplifying, putting into practice and action, and living our great tenets of brotherly love, relief and truth.

At this point, allow me to express in my behalf and in behalf of my family composed of my one and only wife, (your sister Baby), and our only child Babette, my deep gratitude firstly, for the blessings of the Supreme Grand Master of the Universe in making truth prevail; and secondly, for the trust and confidence that you, my dear brethren, have reposed upon me, in giving me your overwhelming mandate, during yesterday's election elevating me to the most exalted position in the Grand Oriental Chair as your Grand Master.

I fully believe and realize my shortcomings and limitations. But I accept this honor with all my heart, with all humility, and with highest of spirit. With dignity, I pledge to keep the noble traditions of our Grand Lodge, the Landmarks of Masonry and its virtues, and to do my utmost, so that each of us will be truly faithful and proud of our beloved Brotherhood but which, let me emphasize, we can attain only by first becoming better Master Masons. Therefore, brethren, I pray that you and I will be partners in this endeavor, so that we can thresh out differences amongst us, in our own masonic way. In this relationship, I pray fervently that you will fill-up my deficiencies with your support and cooperation.

I will now refer to the Program of Administration of your Grand Master for the Masonic Year 1991-1992. I would like to advise you here and now that I advocate a call to masonic discipline. The root of the many and varied problems that we, as a nation or as a people, are confronted with today, can be traced to one cause: discipline, or to

put it more accurately, the lack of it. The root cause of the many and varied problems which permeate our Craft today, as an organization, and which likewise prevails among us individuals referred to as Masons, is Masonic discipline or, to put it more harshly and accurately, lack of it. Modesty aside, I am not talking to you here about discipline, like a preacher who, more often than not, does not practice what he preaches. I am a practitioner of discipline. Having being orphaned at my infancy, I did not have any father image to look up to. But even as a young boy, I already felt a deep attraction to the martial arts and military science. Because of this attraction, it was not surprising that I should pursue my career. The greatest fascination I have, in my career and profession, is with military discipline. My family name of REYES which means Kings from my mother, and Guerrero meaning Warrior from my father, may perhaps be only a coincidence of history or an accident of birth that gave more color and dignity to my image as a military man.

It is not an easy job to command a force of more than 2,000 people without discipline. It is a great responsibility to be a Wing Commander. One has to master the needed image, personality and most importantly, the mental and moral training of discipline. This is the reason I am sure that many mistake me for being *mayabang*. But what is important is what is inside and what compassion I feel when any one is in distress and is in need of relief. I would like each one of us brothers to engage in deep soul searching, to retire as it were, into the Sanctum/Santorum of our minds and to recognize that what is Philippine Masonry today is not the failure of its principles but our failure to live by its principles in our daily lives. This is what I choose to call a failure in Masonic discipline. It is for this reason that I issue forth the clarion call to Masonic discipline before we can even venture to say, that the program of administration for Masonic Year 1991-1992 will succeed. I would like all of us to understand Discipline in its three senses:

1. as a branch of knowledge, learning or instruction;
2. as a training that develops self-control, or orderliness and efficiency and which enforces obedience; and
3. as a treatment that corrects and punishes.

We must take note, however, that the third is rendered unnecessary, by the practice of discipline in its first two meaning I have just mentioned.

All these three senses of discipline are applicable at three levels in our hierarchy.

First level, the individual mason in its first sense has the duty to learn and study Masonry, its history, jurisprudence, ritual, etc. In its second sense, Masonic Discipline ought to motivate him to attend meetings, pay his dues on time, perform assigned tasks,

thereby avoiding the application of the third meaning of discipline as a treatment that corrects and punishes.

Second level of discipline is in the Lodge. In the First sense, Masonic Discipline should make the lodge provide its members with the proper information on such matters as preparing budgets, programs in education in the provisions of the Constitution, the study of Masonry, etc. so as to make the members knowledgeable in the Mystic Art. In its second sense, Masonic Discipline at Lodge level implies, among other things, prompt performance of duties and obligations to the Grand Lodge, such as submission of reports and payment of financial obligations.

The third level of application of Masonic Discipline is the Grand Lodge itself and at this level, I can only pledge to you my best endeavors to improve Administration, exercise fiscal restraint and provide the direction and leadership to make of Freemasonry a stronger force for the good of society than when it has been in recent years.

With your cooperation and your positive response to this call for Masonic Discipline, we can achieve the goals I have set for our program of Administration for Masonic Year 1991-1992. We can again demonstrate that the image of Philippine Masonry today is as noble, as ethical and as patriotic as it was in the days of Aguinaldo and the rest of our masonic heroes and that breed of men, who are really men, who can stand for their principles and convictions, who can look straight into one's eyes and say the same things they say at your back, that breed of men that has made us proud of our Masonic Heritage.

Your Grand Master, dear Brethren, is not a businessman by profession and I intend to run the Grand Lodge not like a businessman, but more of a Disciplined Mason.

Having said all of that, I can now show you this complete set of handouts I have prepared containing the program of Administration for Masonic Year 1991-1992. I will just show you the cover and read to you the table of contents. We have the outline of the objectives which are Fidelity and Pride, leadership with Team Work and Discipline, Accounts and Assets, Masonic Education. Then we have the calendar of activities, organizational set up of our Fraternity, the traditional view and the inverted pyramid and the communication that will be sent to the Brethren. These handouts will be disseminated thru a covering letter to the District Deputy Grand Masters of Districts 1-A to 40. Thru DDGMs, the Brethren in the blue lodges will be apprised, informed and involved, and my message to the Brethren will be read by the DDGMs in the first stated meeting of the blue lodges in the first month of masonic year 1991-1992.

Before we part, let us promise ourselves that we will bring Masonry to the people. Let us share with them our endeavors to be better citizens, better fathers, better husbands, better

sons, better brothers and better men. You, my Brethren who come from all over the Philippines, and those of you who came from many miles away across the seas, to attend this 75th Annual Grand Communication have a great responsibility to your constituents as representatives of this Grand Lodge in your own localities, and by the manner in which you conduct yourselves as better men and as good Master Masons, we shall be judged. Let us continue our beautiful yet humble work. Let us spread the gospel of brotherly love, relief and truth. As Master Masons preparing for year 2000, our duty is to find ways and means to eradicate the presence of those discordant elements who, in their own clandestine ways, try to weaken the foundations of our structures. Should we fail to solve this problem with strong measures, let us try to use benevolent means. Let us bury whatever hatchets we conceal. Let by-gones be by-gones. Let us Forget and Forgive. I repeat, Let us Forget and Forgive. For it is easier to forgive when we first forget. Your Grand Master and the other Officers of this Most Worshipful Grand Lodge will endeavor to be worthy of your trust, your faith and your confidence. Once again, thank you from the bottom of my heart. Thank you for the greatest advance birthday gift you have given me better half or your Sister Baby on May 1st and yours truly on May 19. Thank you for the lifetime favor of vindicating my honor and my name and, most of all, thank you for adhering to the beautiful, honorable and benevolent tradition of our beloved Fraternity. My brothers, "LET US KEEP THE MASONIC FLAME BURNING".

# RATIONALE

Our Fraternity, like the "Evergreen", has survived the crests and ebbs of time. Today, it manages to stay relevant and viable even as we persevere, more than ever, to invigorate and rejuvenate our esteemed organization by undertaking innovative development programs.

We Masons have resorted to the mass media as one of the avenues for reaching out to our non-Mason brethren. In our own little ways, we have manifested our spirit of brotherly love, relief and truth so that they may be able to feel, understand and accept the way of life that our Fraternity has espoused. Our outstanding achievements, consequently, have become bywords on the lips of the beneficiaries themselves.

As we move on to tread the path of truth, we fortify our belief that our Fraternity will attain greater heights and will continue to be the haven of men who gradually evolve to be better. Together, we can make that belief a universal reality, if and when, we Master Masons consistently adhere to our ancient landmarks, the so-called basic guidelines laid down by the ancient Masters of our Craft.

## OUR OBJECTIVES

Based on the premises we have just spelled out, we will embark upon a program of administration guided by the following objectives:

1. To manifest our *fidelity* to, as well as pride in the Craft;
2. To bring about strong, effective and dedicated *leadership* with teamwork and discipline in all levels of the Fraternity.
3. To augment the *accounts/assets* of the Grand Lodge, and in so doing influence the Districts and the Blue Lodges to do the same;
4. a) To pursue and improve *Masonic Education*;
   b) and, involve every Mason in launching our plans/projects and in continuing the noble endeavors of the past administrations

## OUR THEME

The acronym: FLAME , thus shines forth from the key words of our objectives, identifying and illuminating our goals, and warming the flesh and spirit of our theme: *"Keep the Masonic FLAME Burning!"*

## THE LOGO

Our program logo shall consist of a six-tongued red flame, upon which our theme (Keep the Masonic FLAME Burning) is emblazoned.

The Flame symbolizes the fidelity and leadership to which we, the Officers and Members of the Masonic Fraternity, must dedicate ourselves. The redness of the flame symbolizes the intensity, vigor, zeal and discipline that we will imbibe in our actions to fulfill the objectives of our program of administration. The six tongues of the flame represent the six elected Grand Lodge Officers who by example, must lead the Brethren to attain our common goals.

The Seal of the Most Worshipful Grand Lodge of Free and Accepted Mason of the Philippines (resting upon the flame), symbolizes the whole Masonic Fraternity which will be behind the Grand Lodge Officers, working harmoniously with them in return.

The objective, them and logo of our Program of Administration for 1991 - 1992 embody the profoundest desire nestled at the very core of every Mason's being...

"To be proud of, and be faithful to our Brotherhood under the Fatherhood of God... which we can only realize and actualize... by first ... being GOOD MASTER MASONS."

THROUGH THE DDGM

Dear Brethren,

As you cast your glance upon the simple organizational chart of our Fraternity on page 5, you saw that your Grand Master occupies the highest rectangle. But in truth, the opposite pyramid, as shown on page 6, wherein the base is occupied by the Brethren, while the apex is where the highest ranking Mason should be. For the Grand Master looks up to the Brethren for support and cooperation in the service and labor he can muster. You, Brethren, are the voice that will spell the great difference between a successful 1991 - 1992 administration, or by your choice, a failure.

In retrospect, however, my inner Bell, which has never failed me, rings and tolls, telling me that should of optimism, telling me, that you and I are one. For both of us aim for the best welfare of everyone and for our Fraternity. That together, we will meet our goals and objectives to produce a fruitful end, come 1992.

Let us therefore invoke the continued blessings and guidance of the Supreme Grand Master of the Universe, to help us bury our differences, to make us truly sincere with one another, in the ever-living spirit of brotherly love, relief and truth, even closer than blood brothers under his Fatherhood.

Once again, my aeon thanks for giving me your trust, confidence and overwhelming mandate. As your Grand Master, I repeat, I cannot do miracles alone, whatever I will work for, I commend into your hands... and together, we will reap the fruits of what you have made me sown.

Fraternally,

MW JOSE R. GUERRERO

For the information of the Brethren in this jurisdiction, the following were the RESOLUTIONS approved in the 1991 Annual Communication of the Grand Lodge held at Bacolod City:

**No. 1.** Resolution from the Board for General Purposes, as amended by MW Damaso C. Tria during the discussions and deliberations on the matter, approving the continued assessment of P10.00 per Master Mason per year for the next two (2) years being the remaining period of the extension period for the collection of assessments for the Supreme Council of DeMolay, provided that no further extensions shall be made or granted.

**No. 2.** Resolution No. 3 of District No. 9-A designating the Board for General Purposes to undertake the study in reference to clandestine lodges.

**No. 3.** Resolution of Masonic District No. 14 which provides that the collection of the P200.00 Grand Lodge Temple Fund assessment be based on the present membership of the Lodges.

This verified number, upon submission by each DDGM, shall be the basis of Grand Lodge in assessing and collecting this long overdue assessment within this year and thereby lay to rest this vexing problem once and for all.

SUBJECT : AID AND ASSISTANCE TO VICTIMS OF MT. PINATUBO VOLCANIC ERUPTION

Once more a calamity has befallen our country. This time the havoc and destruction was caused by a major eruption of Mt. Pinatubo volcano in Zambales province on June 15, 1991. The sufferings and misery it has caused again demand of us the performance of our obligation to aid and assist our distressed

worthy brethren, their widows and orphans, especially those living in the devastated areas of Zambales Province including Olongapo City, the Province of Tarlac, Pampanga and Bataan.

To this end we formed on June 18, 1991 the Masonic Districts Disaster Task Force (MDDTF) headed by RW Agustin V. Mateo, Deputy Grand Master, to coordinate all Masonic relief and charity work and to ensure that relief is given and distributed to the truly deserving.

In order to consolidate and centralize all masonic disaster relief and aid, and to present a united front in our Masonic relief efforts, all lodges and Masons in this Jurisdiction are enjoined to assist in whatever they can, in cash or in kind, and send these to the Grand Lodge, care of the Task Force of RW Mateo.

Members of the other Rites, Scottish and York, as well as those of other appendant bodies and organizations are also urged to send in their assistance to the Grand Lodge.

Those Lodges and brethren who in the meantime have already sent in their assistance as Brothers in the Fatherhood of God to other relief agencies and organizations, or have given aid to direct beneficiaries, are requested to make a written report to the Task Force or to the office of the Grand Master, of such assistance made, in order to have as complete a record as possible of the efforts and contributions of the entire Fraternity.

The Grand Lodge has already on hand several donations in cash and goods and we continue to have pledges for more.

As it is anticipated that the need for our assistance will continue for some time to come, again we urge every lodge and Masons in this Jurisdiction to continue sharing what they can with our less fortunate countrymen, particularly our brethren who are, and continue to be, victims of this calamity, by sending your assistance to the Grand Lodge.

This circular shall be read in open lodge at the stated meeting next following its receipt and action thereon duly recorded in the minutes.

SERIES OF 1991 – GUERRERO

TO : ALL DDGMs, DGLs, MASTERS AND WARDENS AND OTHER OFFICERS AND MEMBERS OF LODGES IN THIS JURISDICTION

RE : FUND RAISING CAMPAIGNS

It has come to our attention that many subordinate Lodges have undertaken and continue to undertake fund-raising activities for their purposes without complying with the requisite regulations concerning such activities.

Our forefathers saw the wisdom of and found the need for regulating such activities to prevent the indiscriminate raising of funds especially when non-masons are solicited from, and to avoid possible abuses that might result in discredit to the Craft and prejudice the image of Freemasonry. Precisely, our Ordinances empower subordinate Lodges to raise funds to finance its programs in two ways, namely:

a) by voluntary contributions from its members, or
b) through other fund raising campaigns, *after approval by the Grand Master*

(Art. II, Sec. 3, Par. e, Ordinances).

In the light of the above-stated regulation, and in the interest of regulating fund raising campaigns by subordinate lodges for the reasons mentioned before, the following are hereby ordered:

1. No subordinate Lodge shall even begin to undertake any fund raising campaign where funds are solicited especially from non-masons, without the express and written approval of the Grand Master.
2. Subordinate Lodges that are currently undertaking on-going fund-raising campaigns involving non-masons without having first obtained the approval of the Grand Master are hereby ordered to desist from such undertakings until they comply with the following procedures:
    a) Inform the Grand Master in writing, thru the DDGM concerned, the data such fund-raising activity commenced, a general description of the fund-raising activity, and the purpose for which the funds to be derived from such activity will be used.

b) Request for approval of the Grand Master, to be given in writing addressed to the Worshipful Master of the Lodge.

c) In the event of a disapproval by the Grand Master, all funds solicited by the Lodge from non-masons shall be returned to the donors, unless the donors voluntarily choose not to accept the return of such funds, after a proper explanation by the solicitor of the reasons for returning the funds.

3. Subordinate Lodges that hereafter intend to undertake fund-raising campaigns shall follow the procedure laid down in Par. 2(a) & (b) of the foregoing.

All DDGMs are hereby charged with the strict implementation of this circular and written report shall duly be submitted to the Grand Master within 30 days from receipt hereof.

Non-compliance with this circular may subject the Lodge and/or its Master to such disciplinary action as may be deemed proper under the circumstances and the law applicable at the time.

This Circular shall be read in open Lodge at the stated meeting next following its receipt and action thereon duly recorded in the Minutes.

SERIES OF 1991 – GUERRERO

TO : ALL DDGMs, DGLs, GLIs, MASTERS, WARDENS AND OTHER OFFICERS AND MEMBERS OF SUBORDINATE LODGES IN THIS JURISDICTION

SUBJECT : GRAND LODGE INSPECTOR'S CHECK LIST AND REPORT

One of the vital links between the Grand Lodge and the Subordinate

Lodges is the Grand Lodge Inspector (GLI). A failure in this link could mean a failure in the chain of command, authorities and responsibilities from the Grand Lodge to the Subordinate Lodges. The GLIs have vital roles in the efficient administration of subordinate Lodges.

The ideal situation is for a lodge to have always a GLI in attendance at all stated and special meetings. If the assigned GLI cannot attend for whatever reason, it is suggested that the DDGM or DGL be informed beforehand so that either of them may act as substitute for the GLI at that meeting and accomplish the attached check list and report.

This Check List and Report was designed to assist the GLIs in the performance of their assigned tasks and at the same time inform Worshipful Masters of the matters that the GLI would observe and evaluate during his attendance at Lodge meetings. When properly accomplished, it can be an aid in the evaluation of Lodges on Lodge management and in the proficiency of the members.

This Check List and Report is, therefore, hereby prescribed as the standard format for GLI reports to be used for all stated and special meetings of the Lodge to which the GLIs are assigned.

This Circular shall be read in open lodge at the stated meeting next following its receipt and action thereon duly recorded in the minutes.

Given under my hand and seal of the Grand Lodge of the Philippines in the City of Manila, this 17th day of July, 1991.

# INDEPENDENCE DAY CELEBRATION

The MW Grand Lodge of the Philippines was a featured participant in the Freedom Day celebrations held at the Emilio Aguinaldo Shrine in Kawit, Cavite last June 12, 1991.

Starting with a military and civic parade at 6:00 o'clock in the morning, the Independence Day festivities culminated at the Aguinaldo Shrine where Hon. Salvador H. Laurel, Vice President of the Philippines and guest of honor was received with full military honors upon his arrival shortly before 7:00 o'clock.

At precisely seven o'clock a.m., the Vice President assisted by Doña Marcela M. Agoncillo, daughter of the maker of the first Philippine Flag, re-enacted the raising of the Philippine Flag from the balcony of the Aguinaldo Shrine simultaneously with the playing of the Philippine National Anthem. Immediately thereafter, a stirring salute to the flag was delivered in behalf of the Grand Lodge of the Philippines by VW Fernando V. Pascua, Jr., Senior Grand Lecturer.

On hand to greet the Vice President and Mrs. Laurel at the Aguinaldo Shrine were Cavite Governor Johnny Remulla, Mayor and Bro. Federico A. Poblete of Kawit, Grand Master Jose Reyes Guerrero, Deputy Grand Master, Agustin V. Mateo, former Finance Minister Cesar E.A. Virata, and VW Edgardo N. Reyes, DDGM of District No. 10 who was responsible in ensuring the participation of Grand Lodge in this year's independence day celebrations.

After the flag raising ceremony, the Grand Master and his party proceeded to the Lodge Hall of Aguinaldo Memorial Lodge No. 31, F. & A. M. where a late breakfast was served.

After breakfast, an impromptu seminar on Masonic Education was held in the Lodge where VW Abelardo Aportadera, JGL for Luzon and VW F.V. Pascua, Jr., Senior Grand Lecturer took turns speaking and answering questions from the brethren.

Shortly before 12:00 o'clock noon, the Grand Master delivered his message to the brethren assembled after which lunch was served.

# I AM FREEMASONRY

I was born in antiquity, in the ancient days when men first dreamed of God. I have been tried through the ages, and found true. The cross-roads of the World bear the imprint of my feet, and the cathedrals of all nations mark the skill of my hands. I strive for beauty and for symmetry. In my heart is wisdom and strength and courage for those who ask. Upon my altars is the Book of Holy Writ, and my prayers are to the One Omnipotent God. My sons work and pray together, without rank or discord, in the public mart and in the inner chamber. By signs and symbols, I teach the lessons of life and of death, and the relationship of man with God and of man with man. My arms are wide-spread to receive those of lawful age and good report who seek me of their own free will. I accept them and teach them to use my tools in the building of men, and thereby, find direction in their own quest for perfection so much desired and so difficult to attain. I lift up the fallen and shelter the sick. I hark to the orphan's cry, the widow's tears, the pain of the old and destitute, I am not church, nor party, nor school, yet my sons bear a full share of responsibility to God, to country, to neighbor and themselves. They are freemen, tenacious of their liberties and alert to lurking danger. At the end I commit them as each one undertakes the journey beyond the vale into the glory of everlasting life. I ponder the sand within the glass and think how small is a single life in the eternal Universe. Always have I taught immortality, and even as I raise men from darkness into Light, I am a way of life. I am Freemasonry.
