GRAND LODGE OF FREE AND ACCEPTED MASONS OF THE PHILIPPINES

VOL. 72 NO. 3

SEPTEMBER - OCTOBER 1995

THE FRONTLINERS 1995 - 1996

GRAND LODGE OF THE PHILIPPINES

**GRAND LODGE
ELECTED OFFICERS
1995 - 1996**

EDITORIAL

Focus on the Philippines

We had originally planned to include the directory of Lodges under the jurisdiction of the MW Grand Lodge of the Philippines in the July-August issue. That was until the typesetting was completed. We discovered to our consternation that the directory alone covered 82 pages. Considering that an issue of *The Cabletow* normally consists of 64 pages, we had to forgo our initial plans and decided to devote one whole issue for the directory.

The directory consumes so many pages because we decided that only three Lodges will be listed per page, unlike in the past when we really needed powerful glasses to browse through the list of the officers of Blue Lodges in this jurisdiction.

We have included the list of all elected and appointed officers of the Grand Lodge to make this particular issue a comprehensive reference and guide for all Freemasons "whithersoever dispersed."

We refer to the Lodge Officers as the FRONTLINERS because that is really what they are. They are the people who really make things happen. They are the catalysts, upon whose shoulders rests the superstructure of the Most Worshipful Grand Lodge of the Philippines.

Without any doubt, this is the most awaited issue of *The Cabletow*. Its handy size makes it an ideal directory that Masons can bring along in their travels. The names are listed in relatively larger types for easier reading.

GM's MESSAGE

"How am I doing?" is probably the most recurrent question a person or anybody who is in a position of leadership normally asks himself. It is the same question that nags me as I rise every morning and as I go to bed every night. As I enter the first half of my term, the need to find the accurate answer to the question becomes more and more urgent.

I know only too well that asking the same question over and over again would not make a bit of difference on the real progress, if any, that we, the Grand Lodge Officers, have so far accomplished this Masonic year. Nor can any of us completely trust the numerous progress and accomplishment reports that regularly end up at my desk to provide us with a definite and accurate assessment.

With this in mind, we have already started grouping qualified brethren who will look, scrutinize, and submit comprehensive assessments of our labors together with their specific recommendations on how we can improve our performance.

The brethren we refer to have not been in any way involved in the formulation of the programs and definition of objectives we have drawn for this administration. Nor are they in any manner active participants in our operations. Rather, they are "outsiders" in a manner of speaking. They are fellow Masons who, from a discrete distance, can observe our efforts and are qualified to issue intelligent, objective, and precise review and evaluation of our present situation.

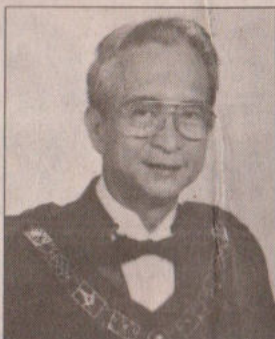

The areas to which we have decided to submit ourselves into some sort of "performance evaluation" are:

- 1. Projects already identified and currently under way.*
- 2. Programs/Masonic activities heretofore announced before the start of our term.*
- 3. Dealings with foreign Masonic Jurisdictions.*
- 4. Administrative management of the GLP personnel, finances and facilities.*

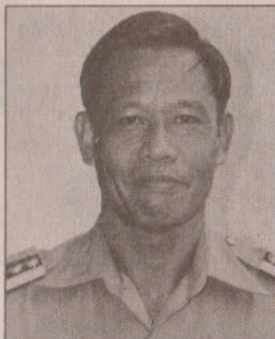

As we take the preliminary steps towards this end, I cannot help but feel extreme gratification that I do not stand alone in facing the difficult tasks inherent to the all exalted position you have entrusted upon my shoulders.

I take this opportunity, therefore, to thank my fellow Grand Lodge Officers, our Cabletow staff and all the members of the different working committees for their ever-ready cooperation and tireless efforts to realize the ends and objectives we have set our sights on. I have no doubt that their unselfish dedication to our Fraternity will find renewed vigor and enthusiasm should the evaluation of our mid-year performances find our accomplishments below what we intend to attain.
