GRAND MASTER MEETS GOVERNOR NUR MISUARI

MW Jose Percival L. Adiong, our Grand Master, met with ARMM Governor Nur Misuari at the Philtown Hotel in Cagayan de Oro City on October 13, 1996. The two leaders exchanged pleasantries and discussed problems confronting Mindanao, with particular focus on the Southern Philippines Council for Peace and Development (SPCPD).

The Cabletow is published bimonthly by the Grand Lodge of Free & Accepted Masons of the Philippines with principal office at the Plaridel Masonic Temple, 1440 San Marcelino St., Metro Manila, D 2801. Reentered as second class mail matter at the Manila Post Office on June 16, 1962.

GRAND MASTER'S MESSAGE

This edition is primarily designed as a ready reference and guide for all Widow's Sons "whithersoever dispersed." It is, in a sense, also a "prelude" to the more comprehensive directory of Master Masons throughout our grand jurisdiction which the Masonic Assistance and Information Center (MAIC) of our Grand Lodge has started to prepare. It is, moreover, a way by which your Grand Master makes known and gives due appreciation and recognition to the Brethren at all levels who have labored in the quarries for the

main purpose of helping realize our Masonic 2020 vision: Masons build for God, country, and mankind—specially to:

1. the Grand Line Officers, both elected and appointed, who have been very supportive of their Grand Master and faithful in many areas of Masonic activity;

2. the Board for General Purposes, the chairman and members of which have given the Grand Master the attentive ear and the instructive tongue on issues vital to the Craft;

3. the District Deputy Grand Masters, the District Grand Lecturers, the Grand Lodge Inspectors, and the other District leaders, who have demonstrated sincere interest in promoting the welfare of the Craft, as well as dedicated service to their Grand Lodge, their Grand Master, and their respective districts; and

4. the officers of the Blue Lodges, as well as the members thereof, who have served, to use a football term, as the "offensive front line" in carrying out programs endeavors to make their Lodges fully functioning, particularly in our thrust to help build up our local and national communities for God's greater glory.

May I take this opportunity to convey my sincerest appreciation and gratitude to the Board of Directors for

generously giving of their time and talents and for responding to needs of the Grand Lodge and with my request. Sincere thanks also to the various Grand Lodge Committees for going about their assigned tasks in a very professional manner, even to the point of staying up late in the night to tackle certain pressing concerns of the Craft; to the members of the Brethren's families and those of the Appendant and Allied Bodies for extending support to, as well as cooperation in, the projects of the Grand Lodge; and the staff members of the Grand Lodge Corporate Office and The Cabletow for their dedicated service to the Grand Lodge and the Brethren.

At this point of the year, I dear Brethren, let us renew our resolve to improve ourselves by learning more about Masonry and to practice its tenets outside the Lodge, so that we will enjoy our Lodge activities more, increase attendance and membership, promote a better image of Masonry in the eyes of the non-Masonic public, and more speedily realize our long-term goals, "the Brotherhood of Men under the Fatherhood of God."

May you and your families have a very prosperous and fulfilling New Year!

MORE EMPHASIS, MORE TIME FOR MASONIC EDUCATION

The last statement in our Grand Master's message in this edition is significant; for, observably, not a few of our Lodges have not given due emphasis to Masonic education during stated meetings. The required time (ten to fifteen minutes) for Masonic education in stated meetings is certainly not sufficient to satisfy the need for us to learn more about Masonry and to synthesize for ourselves the various conceptions of Masonry. Hence, Lodge officers should encourage their members, particularly the new ones, to learn more about Masonry by reading books and direct them to Masonic libraries. Lodge officers should also form study and discussion groups, the main purpose of which is to talk about the meaning of Masonry vis-a-vis Lodge activities. This should be on a continuing, year-round basis.

Some Masonic writers and thinkers say that Masonry is essentially a spiritual activity, a system where our souls are brought closer to divinity, or a means for us to know more about God and His works. To this group belongs PGM William Moseley Brown of the Grand Lodge of Virginia, who says that Masonry is a great quest for light and knowledge that deals with the intellectual, moral, and spiritual, values of life. Another is Ill. Bro. W. Kirk Macnulty, in *Freemasonry: A Journey through Ritual and Symbol* (1991), who describes Masonry as essentially a method to learn more more about ourselves, particularly our own minds, and to transform our beings to a higher plane where we are reborn in a higher state, as symbolized in the Hiram Abif

drama. Precisely, we have been urged to constantly search for the lost word because we Freemasons should try to find God's truth in our lives and in the process to tread a path of life higher than we normally do—an inner world where we are to learn the ancient mysteries of our being.

Perforce, then, our Lodges should become classrooms where we help one another study and learn practically all subjects, particularly ethics, so that we will develop ourselves into men of the finest character and culture and, as such, help spread knowledge to all men, believing as we do in the brotherhood of all men under the Fatherhood of God.

Brotherhood, in effect, means far more than helping our distressed worthy Brethren. It means looking at every person for his moral, inner

qualities, working to erase from our minds any stereotypes with which we may have been brought up, eliminating from our vocabulary racial or religious attacks, and evaluating all candidates for Masonry on the basis of their character alone.

A man, after all, can become a true Mason when he has the courage to take action to promote true brotherhood even if that is unpopular; when he fights against bigotry or intolerance; when he so acts as to owe goodwill, charity, tolerance, and truthfulness equally to all men.

And a Mason is true to his

profession if he helps create interesting Lodge education programs because to him Masonic fellowships and meetings are—or should be—venues for learning, expanding our minds, and developing ourselves further. A man is also true to his profession if he helps spread to the public what Masonry is and its ideals, its contributions to our country and to the world, and why it deserves public support.

May we Freemasons in this grand jurisdiction learn more about Masonry and more earnestly practice its tenets outside the Lodge.

REMINDER

Our Grand Lodge will continue giving awards to the
OUTSTANDING BLUE LODGE AND DISTRICT NEWSLETTERS.

The criteria are as follows:

1. Information (general content);
2. Education (special Masonic knowledge for non-Masonic readers and members of the Craft alike);
3. Appeal (layout induces the readers to take time out to read the same);
4. Additional articles (Are they interesting? Do they help make the newsletter special?)

A Blue Lodge or District must submit at least four issues of its newsletter in order to qualify for the competition.

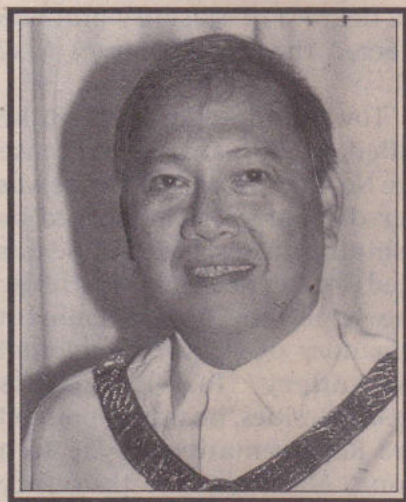

RW FRANKLIN J. DEMONTEVERDE: PERSISTENTLY FOLLOWING IN HIS FATHER'S STEPS

The trek along the tortuous route to the Grand East has been wearisome," the 52-year-old son of the late MW Ruperto S. Demonteverde and Sis. Nora Tioko Jaroda confessed after the announcement of his election as Junior Grand Warden, which he accepted *"with much relief and great joy."* His succinct acceptance speech was loudly applauded by the brethren present at the Grand Caprice, Limketkai Center, Cagayan de Oro City on the night of Friday, April 26, 1996.

In 1999, after three years of serving our Grand Lodge *"through the line,"* RW Franklin J. Demonteverde will reach the Grand East. The Demonteverdes will, then, become the second father-and-son tandem to have made it to the Grand Oriental Chair, the first being the Kalaws.

Born on April 3, 1944, RW Frank is at present the Legal Counsel of the Development Bank of the Philippines in Bacolod City, where he resides with Sis. Ma. Lorna Gaddi Piccio, Presiding Judge of the Municipal Trial Court. The couple have six children, namely: Joseph Dale, 30; Franklin, Jr., 28; Omar Francis, 27; Glenn, 23; Rowena, 22; and Rhett, 14.

A BBA-Management graduate of the University of the East, Bro. Frank worked as an agent for the National Life Insurance and the Eastern Assurance & Surety Corporation (EASCO) in 1967-69, during which he attended various seminars on general and life insurance. In 1970-71, he was a detailman for Inhelder Corporation, Western Visayas. In 1971-73, he

was a supervisor in the Insurance Department of Warner, Barnes & Co. In 1973-75 he was EASCO's agency manager and in 1975-79, branch manager.

In 1976 he received from EASCO the Efficiency Award and the Most Improved Branch Award.

He pursued his Law studies at the University of Negros Occidental-Recoletos, where he finished his Bachelor of Laws in 1979. In 1980, he received from the Supreme Court his Certificate of Admission to Practice Law. Right away he put

Up his own law office. 1980-85, he was a legal retainer handling labor relations cases at the BM-AMCI. In 1986, he served as PCGG fiscal agent for E. Cojuangco Jr. & Sons Inc. From May 1988 to February 1990 he was attorney on a retained basis for the Development Bank of the Philippines.

Committed to the pursuit of professional excellence, he has attended various seminars on labor relations, general law practice, and the New Local Government Code.

In 1970 he received the first three degrees of Masonry and was conferred the 32nd degree, A. & A.S.R.

Toward the end of 1973, he founded and organized Negrense Lodge No. 200. While the Lodge was under dispensation, he served as Worshipful Master. In 1974, he was elected Charter Master of the Lodge; at the same time he was Eminent Commander of Negros Occidental Commandery No. 6, Knights Templar. Besides, he was appointed Grand Representative, Royal Arch Masons, Montana. He therefore received from our Grand Lodge a Certificate for Distinguished Masonic Services. In 1975, he was re-elected Master of Negrense 200, of which he is now a life member by longevity.

In 1976, he also founded and organized Lantawan Lodge No. 210 (now M.V. Ko Mem. Lodge). The following year he became this Lodge's first GLI. In 1978, he was the main proponent for the division of District No. 14 into two districts: one for Panay Province and the

other for Negros Occidental.

In 1981, he was appointed by MW Simeon Rene Lacson as Grand Bible Bearer; he was also chosen Grand Representative of the Grand Lodge of Oklahoma.

In 1984, he again served as GLI — this time, to Kanlaon Lodge No. 64. Two years later he was DGL.

In 1987, he was appointed DDGM by MW Teodorico Baldonado. In the same year he founded and organized Ernesto S. Salas Mem. Lodge No. 280, of which he is a dual member. He also assisted in the organization of Dalusan Lodge No. 281; organized Venus Assembly No. 11, IORG; revived the York Rite Bodies in Bacolod City; was mainly responsible for the organization of the Marapara Chapter, OES; and served as Illustrious Master, Alpha Council No. 6.

In 1988, during the term of MW Raymundo N. Beltran, he was again DDGM. He was also High Priest, Bacolod Chapter No. 4, RAM. He served as chairman of the Committee on Grand Lodge Officers Reports during the Ancom in Cebu City. On that occasion he was chosen Most Outstanding DDGM.

In 1990, the Grand Guild of Past Masters of the Philippines selected him Outstanding District Deputy Guild Master.

VW Bro. Frank worked hard for the success of Ancom '91 in Bacolod City. He chaired not only the Secretariat but six other sub-committees as well. He also chaired the Executive Committee in May 1992 when Bacolod City hosted the Grand Assembly of the IORG.

In 1993-94, during the term of MW Rizal D. Aportadera, he served as JGL for Western Visayas.

In the 1995 Ancom in Manila he lost to RW Enrique Locsin in the election for the position of JGW. But in the 1996 Ancom in Cagayan de Oro City the brethren elected him JGW. And he deserves the position; for, aside from active membership/co-chairmanship in various Grand Lodge committees, he can confer the rituals, give the lectures, and deliver the charges of the first three degrees, serve as Installing Officer or Master of Ceremonies, preside over Masonic funeral rites, and preside over the conferral of the fourth degree.

He also inspired the organization of a new Lodge in Kabankalan, Negros Occidental for which a Dispensation was issued by MW Jose Percival L. Adiong, Grand Master, for the formation of the MW Ruperto S. Demonteverde Memorial Lodge, U.D.

In March 1996, RW Frank was conferred the rank of the Knight Commander of the Court of Honor by the Supreme Council, Ancient and Accepted Scottish Rite of Freemasonry.

RW Frank is also active in other organizations like Y's Men's Club of Bacolod, Negrense Lions Club, YMCA of Negros Occidental, Y's Men International (Philippine Region), Kiwanis Club of Metro Bacolod, Bacolod Square & Compass Toastmasters Club, and Toastmasters International.

In 1976 the YMCA gave him the Bronze Triangle Award, and

Lions International the Presidential Award. In 1980 the YMCA of Negros Occidental, Inc. chose him YMCA Man of the Year; it presented him the Silver Triangle Award the following year.

In 1986 he was the recipient of the Leadership Award from Y's Men International, Philippine Region. In the same year he was the sole representative of Asia to the leadership training in India sponsored by the Y's Men International.

He helped raise funds from the entire area of Asia for the underprivileged in Panama, Senegal, Bangladesh and Ghana. He also assisted in the raising of funds from Switzerland for projects of distressed puroks and barangays in Bacolod City.

He also established Negrense 200 Foundation Incorporated, which now grants scholarships/financial aid to poor but deserving students. At present, he is the Chairman of the Finance Committee of the Bacolod City Peace and Order Council.

What is not known to many is that in 1986, despite the advice of close friends to the contrary, he decided to donate one of his kidneys to his sister Neva. To date, his sister is in the pink of health, mainly due to her brother's disinterested donation.

For sure, he will give his utmost for the building of our Craft into a more vigorous, more vibrant Brotherhood of Men under the Fatherhood of God.

RIZAL ON THE CLOSE RELATION BETWEEN PEOPLE OF GOOD QUALITY AND THE GOVERNMENT

In "**Indolence...**" Rizal wrote: "People and government are correlated and complementary. A stupid government is an anomaly among a righteous people, just as a corrupt people cannot exist under just rulers and wise laws. Like people like government, we will say, paraphrasing a popular adage."

CONVENTIONS

1st Southwestern Mindanao

Multi-District Convention: a Brief Account

by WB Charles G. Agar (#82)

The 1st Southwestern Multi-District Convention held at the Grand Men Seng Hotel in Davao City on Saturday, Oct. 5, 1996 and hosted by District 42, with Datu Bago No. 197 as lead Lodge, was attended by more than 400 delegates. The other participating Districts were 44, 46, and 48.

The Grand Master, MW Jose Percival L. Adiong, together with Sis Gloria Adiong, VW Fernando Pascua, Jr., SGL, and this reporter, was warmly welcomed at the airport at about 5:00 a.m. by VW Antonio T. Uy, DDGM of M.D. 42; Bro. & Chief Supt. Jose C. Lalisán, PNP Director, Region XI: and other brethren.

From the airport the Brethren proceeded to Davao City Park for the floral offering at Bro. Jose Rizal's monument. Present were MW Rizal D. Aportadera, PGM, DDGMs, DGLs, GLIs, and officers and members of the various participating Lodges and their ladies, as well as members of the appendant bodies like the Orders of the Eastern Star, the Amaranth, and the Job's Daughters. The Grand Master urged the members of the Masonic Family not to lose sight of what our heroes, many of whom were Masons, died for, namely, to set us free from foreign dominion.

After the floral offering, the brethren motored through the main thoroughfares of Davao City en route to the convention site.

Datu Bago Wor. Master Antonio Deleña received the DDGMs and DGLs of the participating districts, while VW

Antonio T. Uy received the Grand Master together with VW Nanding Pascua, MW Rudyardo Bunda, PGM, and MW Rizal D. Aportadera, PGM. Then he received keynote Speaker Lalisán.

In introducing the keynote speaker, Bro. Renato H. Driz jestingly said that it is quite difficult to introduce your own boss, for if you fail to do it correctly, you may be assigned to Jolo or Tawi-tawi. Bro. & Chief Supt. Lalisán, in turn, stated that since Bro. Driz did his task well, he was giving him a three-day vacation.

Bro. & Chief Supt. Lalisán discussed the SPCPD as the key to lasting peace in Mindanao. After the open forum, VW Benjamin S. Geli, PSGI, presented the keynote speaker with a Plaque of Appreciation.

VW Robert C. Reyes, PAGS, emceed the luncheon forum, during which the Hon. Lualhati R. Antonio, Representative for the First District of South Cotabato, propounded on the unconstitutionality of the SPCPD. Again, an open forum ensued, after which VW Antonio Uy presented the Congresswoman with a Plaque of Appreciation.

The plenary session that

followed the luncheon forum started with the reading and approval of the minutes of the 1995 convention, the reports of the DDGMs, and Masonic education conducted by SGL Pascua, who discussed "The Fraternity under Siege" and "Appraisal of the State of Subordinate Lodges in the Philippines." VW Fernando Subido served as moderator during the open forum.

The Grand Master expressed his elation over the fact that the multi-con was attended by 412 registered delegates and admonished the brethren to finish any resolution being taken on the floor and not to table it for the next convention, for it might be a great importance to the Craft.

A Plaque of Appreciation having been presented to the Grand Master,

VW Tony T. Uy closed the convention proper in short form.

The Grand Master's Fellowship Night started with an invocation led by Bro. Mario Labrador. WB Antonio Q. Deleña introduced the dignitaries and guests, the Grand Master gave a brief inspirational message, the Eastern Stars and the Job's Daughters staged an entertaining number dubbed "Nun Sense," the Ladies of Datu Bago showed off their choreographic ability, and the Brethren presented a number to prove that they could not be outdone by their ladies. The program was emceed by VW Feliciano M. Iñigo, PDDGM.

Early in the morning of the 6th, the Grand Master played tennis with some Davao brethren. After breakfast, he and his party flew back to Manila.

GM Adiong, PGM
R. Aportadera,
DDGM Antonio Uy

offering.

AROUND THE DISTRICTS, LODGES

STRENGTHENING DISTRICT 45 THROUGH SPORTS

Apparently, the leadership of M.D. 45 feels that sports are a potent means of strengthening the chain of sincere affection that links together the brethren and families of the District's 11 Lodges, as well as the officers and members of allied and appendant bodies.

This year's inter-Lodge sportsfest was ruled by defending champion Mallig Plains #191, followed by Maharlika # 180 and Tumauni #251.

Cagayan Valley #133 captured the basketball crown when it overpowered Maharlika in the finals.

Rufino S. Roque Mem. #289 bagged the gold in the obstacle course, while Tumauni and San Mariano #307 shared the first honors in chess. Ganano #313 ruled the marathon followed by Mallig Plains and Ganano.

Mallig Plains won the 400-meter relay and tug-of-war, while Ganano reigned supreme in table tennis. In lawn tennis, Isabela #60 emerged champion in the singles, and Maharlika in the doubles. The R.S. Roque ladies were tops in dart.

DDGM Angel T. Bacoling, Jr. lauded all the participants for displaying Masonic sportsmanship and for making the most of the event for strengthening Masonic ties in the district.

ISABELA 60 STRESSES ROLE OF MASONS IN PHILIPPINE REVOLUTION

Isabela Lodge No. 60, led by WM Floren Ambatali, has focused its attention on giving due emphasis to the role of Masons in the Philippine Revolution in the form of parades around Ilagan, Isabela and floral offerings at the town's Rizal Monument.

These endeavors have been fully supported by VWBs Dante E.

Simon, Angel Bacoling, Jr., Nards Chua, Diony Panajon, and officers and members of Isabela Bodies, A & ASR and Queen Isabella Court No. 14, Order of Amaranth.

The Lodge, in coordination with Queen Isabella Court No. 14, also sponsored the third of the series Operation Clean Vision, resulting in 14 free cataract operations, at the Isabela Doctors General Hospital. The

project has been chaired by SK Dante and HL Nelly Simon, with able assistance from Drs. Ed Martin, Fulton Ambatali, Ferdinand Atienza, Elaine Argonza, and Estrellita Gabriel, as well as from the nurses and staff of the said hospital.

The two Masonic bodies also

carried out a medical-dental *cum* mass feeding mission at Barangay Buenavista, Gamu, Isabela. In recognition of this Masonic endeavor, the Sangguniang Bayan of Gamu passed a resolution extending heartfelt gratitude to all participants in the mission.

CLINTON HOLDS "SECRET" MEET WITH RP "BRODS"

That was the headline of an article by Volt Contreras in the November 28, 1996 edition of the *Philippine Daily Inquirer*, with the catchy opening sentence: "EAT your heart out, Erap."

The rest of the article read thus:

"US President Bill Clinton held a 'secret' meeting with a handful of men just before he left the country after the Apec summit—and it's not over trade or other state matters.

"The Filipinos were not even high government officials, and they were not pushed around by cocky US Secret Service men, either. They had the US president to themselves.

"In a clear breach of protocol, Clinton—the most watched and tightly guarded man during the summit—made an unscheduled stop flying in from Subic at the Quirino Grandstand Monday evening to receive an award from the local chapter of a Masonic group of which he was once a member.

"Clinton dropped in by helicopter and met a group from the Order of DeMolay of the Philippines to receive the Grand Master's Maltese Cross Award 'for his outstanding service and continuing concern for the welfare and development of the

youth.'

"The ceremony lasted 15 minutes, according to Robert Robbins, a Master Mason and chair of the Democrats Abroad, Philippine Chapter.

"The Order of DeMolay is a Masonic youth group with an international network. It is open to men aged 15 and 21.

"Clinton was a member of the Order and rose to the rank of State Master Councilor during his youth in Arkansas, his native state in the United States.

Welcome Banner

"The meeting was not supposed to happen. Robbins said US Deputy Chief of Mission G. Eugene Martin had formally turned down the Masons' invitation to Clinton sent as early as Oct. 15, citing the president's tight schedule at the Asia-Pacific Economic

Cooperation Conference.

"But a welcome banner put up by DeMolay along Roxas Boulevard did more than just greet Clinton. It made him, at the last minute, change his itinerary prior to departure.

"The streamer, which Clinton saw while passing the Apec friendship lane from his hotel to the Philippine International Convention Center, read: 'Welcome, Brother Bill Clinton—from The Order of DeMolay Philippines'.

"A source said officials from the US Embassy and the US Secretary Secret Service on Monday afternoon called up the DeMolay office in Ermita, Manila, saying, in essence: 'The President will meet you'.

"Upon receiving the news, DeMolay officials, who apparently had given up hope of meeting Clinton, had to smash an office door and a cabinet to retrieve the leather-encased citation for the US President.

"At the hastily arranged time and place, in the early evening of Nov. 25 at the most empty Quirino Grandstand at Luneta Park, Clinton alighted from the helicopter he had taken from Subic and went straight to meet the DeMolay group.

"His small, privileged audience included Robbins; Rosendo Herrera, Grand Master of the Supreme Council, Order of DeMolay; Albert Tan, Grand Junior Councilor; Antonio S. Herrera, DeMolay member; and Ching Herrera, president of the Federated Mothers Club of the Philippines.

"The award handed over to Clinton by Herrera partly reads:

"For his unselfish and everlasting love and sincere concern for the welfare and development of the youth, particularly the Order of DeMolay, the Grand Master's Maltese

Cross Award is hereby gratefully presented to Bro. William Jefferson Clinton'.

"After receiving the award, Clinton commended Herrera for his leadership in the Order and for his support for young people."

Upon reading the news item, MW Jose Percival L. Adiong, Grand Master of Masons in the Philippine grand jurisdiction, wrote a letter to MW Rosendo C. Herrera, which said the news item spoke louder than words. The rest of MW Adiong's letter reads thus:

"U.S. President Bill Clinton had to breach official protocol to meet with the Officers of the International Order of DeMolay, Supreme Council of the Republic of the Philippines, a clear manifestation that he continues to be a DeMolay at heart. This gesture endears him more not only to youth but also to the entire nation. The award he received from our Supreme Council of the International Order of DeMolay is well deserved.

"All these surprise happenings would not have been possible had it not for your very able leadership. Furthermore, the Grand Lodge is honored to have a part in this momentous occasion even if only for the APEC sticker from your Grand Master which you said allowed you to reach the informal ceremonial area on time.

"This has added honor and prestige to our ancient Institution and dramatized our Masonic programs for the youth.

"Congratulations to you and your charming wife (Ninang Anching to us). Indeed, you both exemplify the true benefactors of youth. May God Almighty continue showering you and your family all the blessings from above."

NOTE: The diagram given above is from **Freemason**, Vol. 22, No.4, journal of the Grand Lodge of New Zealand Freemasons. It clearly shows how Lodge Gisborne #233 sees the circle of Masonic duties

Maybe Lodges in our grand jurisdiction have similar ideas they can share through the pages of this periodical.
